

How Strong is Your Network?

Guardian® knows the essential elements of a strong network are a combination of size, discounts, and network utilization.

Network Size:

Expanding network and high-quality selection of dentists in the area.

Network Discount:

Plans should offer members savings on dental care.

Network Utilization:

Since discounts are based on using in-network providers, a plan must include a provider panel that members want to utilize.

Guardian is a leader on all fronts:
