

Skip the doctor's office.

All Cigna + Oscar plans come with \$0 copay and unlimited calls with a doctor, available 24/7.*

You can call or send a secure message to a doctor—and you may be able to get a diagnosis, get a new prescription, or a refill—in as little as 15 minutes. That's one less trip to the doctor's office and one less copay to worry about! Calling a doctor with Oscar reduces out-of-pocket expenses and is especially valuable for members on high-deductible plans.

When to use it

You're under the weather.

Doctors can diagnose common conditions and refer you to the right specialist if you need to see someone in person.

You need a prescription.

Doctors can send new prescriptions and refills for medications like blood pressure medication and antibiotics straight to your pharmacy.

It's outside of normal office hours.

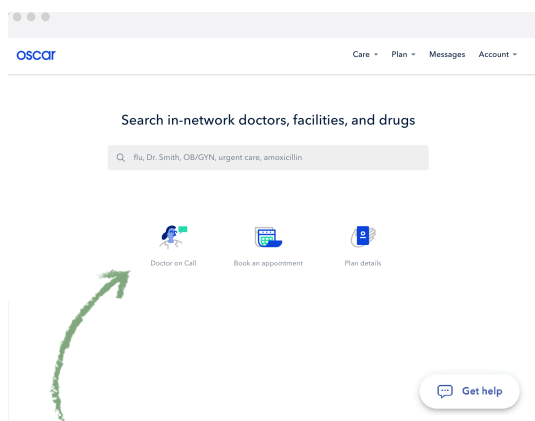

Doesn't matter if it's the middle of the night. Doctors can usually resolve your issue so you can get back to bed.

You're away from home.

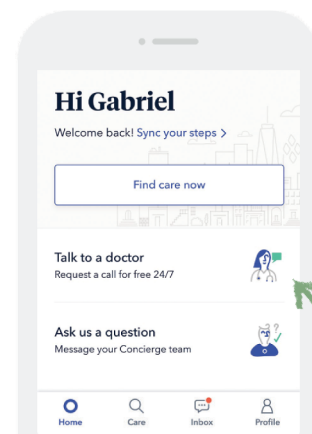

Doctors can diagnose you and send a prescription to a nearby pharmacy, wherever you are*, 24/7.
