Benefits from high deductible Plan F will not begin until out-of-pocket expenses exceed \$2,070. Out-of-pocket expenses for this deductible are expenses that would ordinarily be paid by the policy. These expenses include the Medicare deductibles for Part A and

Part B, but do not include the plan's separate foreign travel emergency deductible.

Med-Select Plans require that you use Blue Cross and Blue Shield of Illinois contracting Med-Select hospitals for non-emergency admissions to receive coverage for the Medicare Part A deductible. In an emergency the \$1,156 deductible is covered at any hospital from which you receive care.

2. The services are for symptoms requiring emergency care or are immediately required for an unforeseen illness, injury or condition and it is not reasonable to obtain such services from a Med-Select Hospital (such as while you are traveling); or
