Blue Care Connection (BCC)

When members receive covered inpatient hospital services, outpatient mental health and substance abuse services (MHSA), coordinated home care, skilled nursing facility or private duty nursing from a participating provider, the member will be responsible for contacting either the BCC or MHSA preauthorization line, as applicable. You must call one day prior to any hospital admission and/or outpatient MH/SA service or within 2 business days after an emergency medical or maternity admission. Please refer to your benefit booklet for information regarding benefit reductions based on failure to contact the applicable preauthorization line. **Note: Outpatient MHSA preauthorization is effective for services on or after January 1, 2011 or upon your group plan renewal date in 2011 and thereafter.**

Schedule of Maximum Allowances (SMA)

The Schedule of Maximum Allowances (SMA) is not the same as a Usual and Customary fee (U&C). Blue Cross and Blue Shield of Illinois' SMA is the maximum allowable charge for professional services, including but not limited to those listed under Medical/Surgical and Other Covered Services above. The SMA is the amount that professional PPO providers have agreed to accept as payment in full. When members use PPO providers, they avoid any balance billing other than applicable deductible, coinsurance and/or copayment. "Please refer to your certificate booklet for the definition of Eligible Charge and Maximum Allowance regarding Providers who do not participate in the PPO Network."

To Locate a Participating Provider: Visit our Web site at www.bcbsil.com/providers and use our Provider Finder® tool.

In addition, benefits for covered individuals who live outside Illinois will meet all extraterritorial requirements of those states, if any, according to the group's funding arrangements.
