**WARNING, LIMITED  
BENEFITS WILL BE  
PAID WHEN  
NON-PREFERRED  
PROVIDERS ARE  
USED**

You should be aware that when you elect to utilize the services of a non-preferred provider for a covered service in non-emergency situations, benefit payments to such non-preferred provider are not based upon the amount billed. The basis of your benefit payment will be determined according to your plan's usual and customary charge (which is determined by comparing charges for similar services adjusted to the geographical area where the services are performed), or other method as defined by the plan. **YOU CAN EXPECT TO PAY MORE THAN THE CO-PAYMENT AMOUNT DEFINED IN THE PLAN AFTER THE PLAN HAS PAID ITS REQUIRED PORTION.** Non-preferred providers may bill for any amount up to the billed charge after the plan has paid its portion of the bill. Preferred providers have agreed to accept discounted payments for services with no additional billing other than co-payment and deductible amounts. You may obtain further information about the participating status of professional providers and information on out- of-pocket expenses by calling the toll free telephone number on your identification card.

### **Accident and Health Claims Provisions**

Your right to make a claim for any *accident and health* benefits provided by this *plan*, is governed as follows:

**Notice** You must send us written notice of an *injury* or *sickness* for which a claim is being made within 20 days of the date the *injury* occurs or the *sickness* starts. This notice should include your name and *plan* number. If the claim is being made for one of your *covered dependents*, his or her name should also be noted.

**Proof of Loss** We'll furnish you with forms for filing proof of loss within 15 days of receipt of notice. But if we don't furnish the forms on time, we'll accept a written description and adequate documentation of the *injury* or *sickness* that is the basis of the claim as proof of loss. You must detail the nature and extent of the loss for which the claim is being made. You must send us written proof within 90 days of the loss.

## Accident and Health Claims Provisions (Cont.)

---

If this plan provides weekly loss-of-time insurance, you must send us written proof of loss within 90 days of the end of each period for which we're liable. If this plan provides long term disability income insurance, you must send us written proof of loss within 90 days of the date we request it. For any other loss, you must send us written proof within 90 days of the loss.

**Late Notice of Proof** We won't void or reduce your claim if you can't send us notice and proof of loss within the required time. But you must send us notice and proof as soon as reasonably possible.

**Payment of Benefits** We'll pay benefits for loss of income once every 30 days for as long as we're liable, provided you submit periodic written proof of loss as stated above. We'll pay all other *accident and health* benefits to which you're entitled as soon as we receive written proof of loss.

We pay all *accident and health* benefits to you, if you're living. If you're not living, we have the right to pay all *accident and health* benefits, except dismemberment benefits, to one of the following: (a) your estate; (b) your spouse; (c) your parents; (d) your children; (e) your brothers and sisters; and (f) any unpaid provider of health care services. See "Your Accidental Death and Dismemberment Benefits" for how dismemberment benefits are paid.

When you file proof of loss, you may direct us, in writing, to pay health care benefits to the recognized provider of health care who provided the covered service for which benefits became payable. We may honor such direction at our option. But we can't tell you that a particular provider must provide such care. And you may not assign your right to take legal action under this *plan* to such provider.

**Limitations of Actions** You can't bring a legal action against this *plan* until 60 days from the date you file proof of loss. And you can't bring legal action against this *plan* after three years from the date you file proof of loss.

## YOUR CONTINUATION RIGHTS

---

---

### Important Notice

---

This section applies to an employee's group term life benefits. These benefits are referred to as "group life benefits."

This section does not apply to accidental death and dismemberment benefits.

### A Totally Disabled Employee's Right to Continue Group Life Benefits

---

**If an Employee is Totally Disabled** If an employee's group life benefits end while the employee is totally disabled, he may continue such benefits for a limited period of time subject to the payment of premiums. In this section, an employee is totally disabled if:

- (a) he is not able to perform any work for wage or profit due to a sickness or an injury; and
- (b) he becomes so disabled while insured by this group plan.

This continuation will end on the later of:

- (a) six months, starting on the date the total disability began; or
- (b) for employees who meet our standard for total disability under the extended life benefits section of this plan, the end of the waiting period which applies to the permanent disability provision under that section.

The monthly premium the employee must pay to continue his group life benefits will be the amount which he would have been required to pay had he stayed insured by this group plan on a regular basis. He must make this payment to his employer at the times and in the manner specified by his employer. If the employee fails to pay his amount on time, he waives his right to continue his group life benefits.

If the employer fails, after timely receipt of any required employee payment, to pay us on behalf of such employee, thereby causing the employee's group life benefits to end, then the employer will become liable for the employee's group life benefits to the same extent as, and in place of, us.

**When the Continued Group Life Benefits End** An employee's continued group life benefits end on the first of the following:

- (a) the end of the applicable continuation period;
- (b) the end of the period for which the last total monthly premium payment was made to us;
- (c) the date the group plan ends or is amended to end benefits for the class of employees to which the employee belonged;
- (d) the date the employee is no longer totally disabled; or

## A Totally Disabled Employee's Right to Continue Group Life Benefits (Cont.)

---

- (e) the date the employee is approved by us in writing for coverage under any permanent disability provision of the extended life benefits section of this plan.

**Conversion Rights and Extended Life Benefits** Any applicable conversion rights will still be in effect when the continuation period ends. Continuing his group life benefits under this section does not stop an employee from claiming his rights under the extended life benefits section of this plan.

**Employee Coverage**

---

**Eligible Employees** To be eligible for employee coverage, you must be an active *full-time employee*. And you must belong to a class of *employees* covered by this *plan*.

**Other Conditions** You must:

- (a) be legally working in the United States.
- (b) be regularly working at least the number of hours in the normal work week set by your *employer* (but not less than 30 hours per week), at:
  - (i) your *employer's* place of business;
  - (ii) some place where your *employer's* business requires you to travel; or
  - (iii) any other place you and your *employer* have agreed upon for performance of occupational duties.

Part or all of your insurance amounts may be subject to *proof* that you're insurable. The Life Schedule explains if and when we require *proof*. You won't be covered for any amount that requires such *proof* until you give the *proof* to us and we approve it in writing.

CGP-3-EC-90-1.0

B264.0969

**When Your  
Coverage Starts**

Your coverage under this *plan* is scheduled to start on the effective date shown in the endorsement section of your application. If you become eligible after this *plan's* effective date, your insurance will start on the date we approve you for insurance.

But you must be fully capable of performing the major duties of your regular occupation for your *employer* on a full-time basis at 12:01AM Standard Time for your place of residence on that date. And you must have met all of the applicable conditions explained above, and any applicable waiting period. If you are not fully capable of performing the major duties of your regular occupation on that date we will postpone your coverage. We will postpone your coverage until the date you are so capable and are working your regular number of hours for one full day, with the expectation that you could do so for one full week.

Sometimes, the effective date shown in your application is not a regularly scheduled work day. If the scheduled effective date falls: on a holiday; on a vacation day; on a non-scheduled work day; or during an approved leave of absence, not due to sickness or injury, of 90 days or less; and if you were performing the major duties of your regular occupation and working your regular number of hours on your last regularly scheduled work day, your coverage will start on the scheduled effective date. However, any coverage or part of coverage for which you must elect and pay all or part of the cost, will not start if you are on an approved leave and such coverage or part of coverage was not previously in force for you under a prior plan which this *plan* replaced.

### Exception to When Your Coverage Starts

If you are not capable of performing the major duties of your regular occupation for the employer on a full-time basis on the date your coverage is scheduled to start, you will be insured for Life insurance if:

1. you were insured under the prior insurer's group Life policy at the time of the transfer;
2. you were a member of an eligible class under the prior carrier's group life policy and are eligible under this plan;
3. your premiums for the employee were paid up to date;
4. your premiums are not currently being waived under the Extended Life Benefit provision, or you were not eligible, under the terms of the prior insurer's group Life policy, to have premiums waived under the Extended Life Benefit provisions; and
5. you are not receiving or eligible to receive benefits under the prior carriers group Life policy.

Any Life benefit payable will be the lesser of:

1. the Life benefit payable under the Group Policy; or
2. the Life benefit payable under the prior insurer's group Life policy had it remained in force.

The Life benefit payable will be reduced by any amount paid by the prior insurer's group life policy.

An employee covered under the Exception to When Your Coverage Starts will not be eligible for (1) Extended Life Benefit provision under this Policy; or (2) Accidental Death and Dismemberment coverage, if any, until such a time that you are Actively At Work as defined by this policy.

All other provisions under this Policy, including Accelerated Life Benefit, Conversion and Dependent coverage, if any, will apply under the Exception to Your Coverage Starts.

You will remain insured under this provision until the first to occur of: 1) the date you are fully capable of performing the major duties of your occupation for the employer on a Full-Time basis; 2) the date insurance terminates for one of the reasons stated in When Your Coverage Ends; 3) the last day of a period of 12 consecutive months which begins on the Policy effective date; 4) the date you become eligible for the Extended Life Benefit provision under the prior insurer's group Life policy; or 5) the last day the you would have been covered under the prior insurer's group Life policy, had the prior plan not been terminated.

**When Your Coverage Ends** Your coverage ends on the date your active *full-time* service ends for any reason. Such reasons include disability, death, retirement, layoff, leave of absence and the end of employment.

It also ends on the date you stop being a member of a class of *employees* eligible for insurance under this *plan*, or when this *plan* ends for all *employees*. And it ends when this *plan* is changed so that benefits for the class of *employees* to which you belong ends.

It ends on the date you have been outside the United States for six months in any twelve month period.

Read this booklet carefully if your coverage ends. You may have the right to continue certain group benefits for a limited time. And you may have the right to replace certain group benefits with converted policies.

## **An Employee's Right To Continue Group Life and AD&D Insurance During a Family Leave Of Absence**

---

### All Options

**Important Notice** This section may not apply to an *employer's* plan. You must contact your *employer* to find out if your *employer* must allow for a leave of absence under federal law. In that case the section applies.

**Continuation of Coverages** Life and accidental death and dismemberment coverages may be continued, under a uniform, non-discriminatory policy applicable to all employees. You must contact your *employer* to find out if you may continue these coverages.

## An Employee's Right To Continue Group Life and AD&D Insurance During a Family Leave Of Absence (Cont.)

---

**If Your Group Insurance Would End** Group life and accidental death and dismemberment insurance may normally end for an *employee* because he or she ceases work due to an approved leave of absence. But, the *employee* may continue his or her group coverage if the leave of absence has been granted: (a) to allow the *employee* to care for a seriously injured or ill spouse, child or parent; (b) after the birth or adoption of a child; (c) due to the *employee's* own serious health condition; or (d) because of any serious injury or illness arising out of the fact that a spouse, child, parent, or next of kin, who is a covered servicemember, of the *employee* is on active duty (or has been notified of an impending call or order to active duty) in the Armed Forces in support of a contingency operation. The *employee* will be required to pay the same share of the premium as he or she paid before the leave of absence.

**When Continuation Ends** Coverage may continue until the earliest of the following:

- The date you return to active work.
- In the case of a leave granted to you to care for a covered servicemember: The end of a total leave period of 26 weeks in one 12 month period. This 26 week total leave period applies to all leaves granted to you under this section for all reasons. If you take an additional leave of absence in a subsequent 12 month period, continued coverage will cease at the end of a total leave period of 12 weeks.
- In any other case: The end of a total leave period of 12 weeks in any 12 month period.
- The date on which your *Employer's Plan* is terminated or you are no longer eligible for coverage under this *Plan*.

**Basic Life Benefit** If you die while insured for this benefit, we'll pay your beneficiary the amount shown in the schedule.

**Proof of Death** We'll pay this insurance as soon as we receive written proof of death. This should be sent to us as soon as possible.

**Your Beneficiary** You decide who gets this insurance if you die. You should have named your beneficiary on your enrollment form. You can change your beneficiary at any time by giving your *employer* written notice, unless you've assigned this insurance. But the change won't take effect until your *employer* gives you written confirmation of the change.

If you named more than one person, but didn't tell us what their shares should be, they'll share equally. If someone you named dies before you do, his share will be divided equally by the beneficiaries still alive, unless you've told us otherwise.

If there is no beneficiary when you die, we'll pay the insurance to one of the following: (a) your estate; (b) your spouse; (c) your parents; (d) your children; or (e) your brothers and sisters.

We suggest you speak to your lawyer before you make any assignment. If you decide you want to assign this insurance, ask your *employer* for details or write to us.

**Payment to a Minor or Incompetent** If your beneficiary is a minor or incompetent, we have the option of paying this insurance in monthly installments. We would pay them to the person who cares for and supports your beneficiary.

## Converting This Group Term Life Insurance

**If Employment or Eligibility Ends** Your group life insurance ends if: (a) your employment ends; or (b) you stop being a member of an eligible class of employees. If either happens, you can convert your group life insurance to an individual life insurance policy. Conversion choices are based on your disability status.

If you are not disabled, as defined in the section labeled "Extended Life Benefit With Waiver of Premium" , you can convert to a permanent life insurance policy. You can convert the amount for which you were covered under this plan, less any group life benefits you become eligible for in the 31 days after this insurance ends.

If you: (a) are disabled, as defined in the section labeled "Extended Life Benefit With Waiver of Premium"; and (b) have not yet been approved for the Extended Life Benefit, you can convert to: (a) a permanent life insurance policy; or (b) an interim term insurance policy, as explained in the section labeled "Interim Term Insurance". You can convert the full amount for which you were covered under this plan.

If you are later approved for the Extended Life Benefit, then the converted policy, if any, is cancelled as of our approval date.

**If The Group Plan Ends or Group Life Insurance Is Dropped** Your group life insurance also ends if: (a) this group plan ends; or (b) life insurance is dropped from the group plan for all employees or for your class. If either happens, you may be eligible to convert as explained below. Conversion choices are based on your disability status.

## Converting This Group Term Life Insurance (Cont.)

---

If you: (a) are not disabled, as defined in the section labeled "Extended Life Benefit With Waiver of Premium", when this coverage ends ; and (b) you have been insured by a Guardian group life plan for at least five years, you can convert to a permanent life insurance policy. But, the amount you can convert is limited to the lesser of: (a) \$10,000.00; or (b) the amount of your insurance under this plan, less any group life benefits you become eligible for in the 31 days after this insurance ends.

If you: (a) are disabled, as defined in the section labeled "Extended Life Benefit With Waiver of Premium"; and (b) have not yet been approved for the Extended Life Benefit, you can convert to: (a) a permanent life insurance policy; or (b) an interim term insurance policy. You can convert the full amount for which you were covered under this plan.

If you are later approved for the Extended Life Benefit, then the converted policy, if any, is cancelled as of our approval date .

**The Converted Policy** The premium for the converted policy will be based on your age on the converted policy's effective date. The converted policy will start at the end of the period allowed for conversion. The converted policy does not include disability or dismemberment benefits.

**Interim Term Insurance** If you: (a) are disabled, as defined in the section labeled "Extended Life Benefit With Waiver of Premium"; and (b) have not yet been approved for the Extended Life Benefit, you have the option to convert your coverage to an individual term life insurance policy. The individual term policy requires lower premiums than an individual permanent insurance policy.

This Interim term policy is available for only one year from the date you become disabled. During this year, if you are approved for the Extended Life Benefit, the interim term insurance is cancelled, as of our approval date. If, after one year, you have not been approved for the Extended Life Benefit, you must convert to an individual permanent life insurance policy, or coverage will end. Premiums for the individual permanent life insurance policy will be based on your age as of the date you convert from the interim term insurance policy.

**How and When to Convert** To get a converted policy, you must apply to us in writing and pay the required premium. You have 31 days after your group life insurance ends to do this. We won't ask for proof that you are insurable.

**Death During the Conversion Period** If you die in the 31 days allowed for conversion, we'll pay your beneficiary the amount you could have converted. We'll pay whether or not you applied for conversion.

**Notice of Conversion Right** If you are entitled to obtain a converted policy under this section, full compliance with this provision for Notice of Conversion Right will be satisfied by written notice: (a) given to you by the employer; (b) mailed to you by the employer at your last known address; or (c) mailed to you by us at your last known address that is supplied to us by the employer.

This notice should be given at least 15 days before the end of the 31 day period allowed for conversion as described in "How and When to Convert." If the notice is not given at least 15 days before the end of such period, you will have an additional period of 15 days from the date notice is given to apply for the converted policy and pay the required premium. But, in no event shall the additional period extend more than 60 days beyond the 31 day period allowed for conversion as described above.

## Your Extended Life Benefit With Waiver Of Premium

**Important Notice** This section applies to your basic life benefit. But, it does not apply to your accidental death and dismemberment benefits; nor to any of your dependent's insurance under this group plan. In order to continue dependent basic life insurance, you must convert your dependent coverage to an individual permanent policy.

**If You Are Disabled** You are disabled if you meet the definition of total disability, as stated below. If you meet the requirements in the "How and When to Apply" provision, we'll extend your basic life insurance under this section without payment of premiums from you or the employer.

Total Disability or Totally Disabled means, due to sickness or injury, you are:

- (a) not able to perform any work for wages or profit; and
- (b) you are receiving regular doctor's care appropriate to the cause of disability.

**How And When To Apply** To apply for this extension, you must submit satisfactory written medical proof of your total disability within one year of the onset of that disability. Any claim filed after one year from the onset of total disability will be denied, unless we receive written proof that: (a) you lacked the legal capacity to file the claim; or (b) it was not reasonably possible for you to file the claim.

Also, in order to be eligible for this extension, you must:

- (a) become totally disabled before you reach age 60 and while insured by the group plan; and
- (b) remain totally disabled for 09 continuous months.

You are encouraged to apply for this benefit immediately upon the onset of disability.

## Your Extended Life Benefit With Waiver Of Premium (Cont.)

---

**Continued Eligibility For Extended Life Benefit** We may require periodic written proof that you remain totally disabled to maintain this extension. This written proof of your continued disability and doctor's care must be provided to us within 30 days of the date we make each such request.

We can require that you take part in a medical assessment, with a medical professional of our choice, as often as we feel is reasonably necessary during the first two years we've extended your life benefits. But after two years, we can't have you examined more than once a year.

**Until You've Been Approved For This Extended Life Benefit** Your life insurance under the group plan may end after you've become totally disabled, but before we've approved you for this extension. During this time period, you may either:

- (a) continue group premium payments, including any portion which would have been paid by the employer until you are approved or declined for this extended life benefit; or
- (b) convert to an individual permanent or term policy. Please read the section labeled "Converting This Group Term Life Insurance" for details on how to convert.

However, if this group plan terminates, and you are totally disabled and eligible, but not yet approved, for this extended benefit, you must convert to an individual permanent or term policy, and remain insured under such policy until you are approved by us for the extended benefit.

Converting does not stop you from claiming your rights under this section. But if you convert and we later approve you for this extended benefit, we'll cancel the converted policy as of our approval date. Once you are approved for this extended benefit, your group term life coverage will be reinstated at no further cost to you or the employer.

**When This Extension Begins** Once approved by us, your extended benefit will be effective on the later of:

- (a) 09 continuous months from the date active full-time service ends due to total disability; or
- (b) the date we approve you for this benefit.

  - (d) the date you are no longer receiving regular doctor's care appropriate to the cause of disability; or
  - (e) the day before the date you reach age 65.

If the extension ends, and you are not insured by the group plan again as an active full-time employee, you can convert as if your employment just ended. Read the section labeled "Converting This Group Term Life Insurance".

**If You Die While Covered By This Extension**

If you die while covered by this extension we'll pay your beneficiary the amount for which you were covered as of your last day of active full-time work, subject to all reductions which would have applied had you stayed an active employee.

**Proof Of Death**

- We'll pay as soon as we receive
- (a) written proof of your death, that is acceptable to us; and

While you are approved for the Basic Life Extended Life Benefit, if your insurance coverage is reduced under the extension, the amount of the LifeAssist benefit is reduced accordingly.

**Continued Eligibility For The LifeAssist Benefit** We may require periodic written proof that you remain functionally disabled. This written proof of your continued disability and regular doctor's care must be provided to us within 30 days of the date we make each such request.

**Tuition Expense** means charges incurred for credit courses or lab fees. It does not include: (a) cost of books; (b) other related course materials; (c) student activity fees; or (d) room and board.

**Net Tuition Expense** means tuition expense less any scholarships or grants to which the dependent is entitled.

We pay this benefit per academic term for each qualified dependent.

We also require proof, per academic term, of: (a) the qualified dependent's tuition expenses; and (b) any scholarships and grants the dependent is entitled to.

**Eligible Employees** To be eligible for employee coverage, you must be an active *full-time employee*. And you must belong to a class of *employees* covered by this *plan*.

**Other Conditions** You must:

- (a) be legally working in the United States.

### When Your Coverage Starts

Your coverage under this *plan* is scheduled to start on the effective date shown in the endorsement section of your application. If you become eligible after this *plan's* effective date, your insurance will start on the date we approve you for insurance.

But you must be fully capable of performing the major duties of your regular occupation for your *employer* on a full-time basis at 12:01AM Standard Time for your place of residence on that date. And you must have met all of the applicable conditions explained above, and any applicable waiting period. If you are not fully capable of performing the major duties of your regular occupation on that date we will postpone your coverage. We will postpone your coverage until the date you are so capable and are working your regular number of hours for one full day, with the expectation that you could do so for one full week.

Sometimes, the effective date shown in your application is not a regularly scheduled work day. If the scheduled effective date falls: on a holiday; on a vacation day; on a non-scheduled work day; or during an approved leave of absence, not due to sickness or injury, of 90 days or less; and if you were performing the major duties of your regular occupation and working your regular number of hours on your last regularly scheduled work day, your coverage will start on the scheduled effective date. However, any coverage or part of coverage for which you must elect and pay all or part of the cost, will not start if you are on an approved leave and such coverage or part of coverage was not previously in force for you under a prior plan which this *plan* replaced.

### When Your Coverage Ends

Your short term disability coverage ends on the date your active *full-time* service ends for any reason, except as noted below under "Continuation of Coverage During Disability".

It also ends on the date you stop being a member of a class of *employees* eligible for insurance under this *plan*, or when this *plan* ends for all *employees*. And it ends when this *plan* is changed so that benefits for the class of *employees* to which you belong ends.

It ends on the date you have been outside the United States for six months in any twelve month period.

If you are required to pay all or part of the cost of this coverage and you fail to do so, your coverage ends. It ends on the last day of the period for which you made the required payments, unless coverage ends earlier for other reasons.

#### **Continuation of Coverage During Disability**

If you are disabled, as defined by this *plan* when your active *full-time* service ends, coverage remains in force during: (a) the elimination period, subject to premium payment, if the disability is not excluded under the *plan*; and (b) the period for which benefits are payable under the *plan*. However, if no benefits are payable under this *plan* due to application of the *plan's* exclusion for a job related injury or sickness, coverage will remain in force until the earlier of the date: (a) you are terminated from employment with the employer; or (b) you have been disabled for six months.

**Calculation of Weekly Benefit** Your benefit is governed by the terms of the *plan* in effect on the date *disability* occurs. Any changes to this *plan* that take place: (a) while you are *disabled*; or (b) during a period of *active work* that occurs between an initial period of *disability* and a *recurring disability*; will not affect your benefit.

We calculate your *gross weekly benefit* according to the Schedule of Benefits. This *plan* includes proof of insurability requirements that must be met before: (a) your *gross weekly benefit*; (b) a portion thereof; or (c) increases in such amount; become effective. The Schedule of Benefits explains these requirements.

From your *gross weekly benefit*, subtract the amount of any income listed in Other Income Benefits that you receive or are entitled to receive. The result is your *weekly benefit*.

**Redetermination** This *plan* redetermines *insured earnings* for each covered person on October 1st . Each October 1st , the *plan sponsor* must report current *insured earnings* for all covered persons under the *plan*. Changes to a covered person's *insured earnings* are subject to any proof of insurability requirements of this *plan*. As of this *plan's* redetermination date, we use a covered person's *insured earnings* on record with us to: (a) set rates; (b) project benefit amounts and limits; and (c) calculate premium payable under this *plan*. However, the covered person must be *actively-at-work* on a full-time basis on that date. If he or she is not, we do not do this until the date he or she returns to *active work* on a full-time basis. But, changes in earnings will not apply to a *recurring disability*.

**Other Income Benefits** You may receive, or be entitled to receive, income shown in the list below. We will reduce your gross weekly benefit by such other income benefits to determine your weekly benefit from this plan.

- Commissions or monies: (1) received; (2) payable but deferred; or (3) paid after disability benefits start. This includes: (a) vested and nonvested renewal commissions; (b) bonuses; (c) royalties; (d) profit sharing; and (e) other distributions.
- Disability benefits from any mandated benefit act or law. This includes all temporary disability or state disability benefits required by law.
- Disability benefits from all group plans of: (1) the plan sponsor; or (2) the employer. This includes payments made by a group life insurance plan due to your disability. This does not include payments made from a group life insurance plan's: (a) accelerated death benefit; or (b) like provision that allows payment of such plan's proceeds due to terminal illness.

- Disability benefits from any other group plan; but, if the other group plan was in force prior to this plan, and the other group plan also deducts for disability benefits from any other group plan, we will not deduct these other group disability benefits.
- Benefits as shown below from: (1) the United States Social Security Act; (2) the Railroad Retirement Act; or (3) any other like U.S. or Canadian plan or act.
  - (a) All disability benefits for which: (i) you are entitled; and (ii) your spouse and children are entitled due to your disability;
  - (b) All unreduced retirement benefits for which: (i) you are entitled; and (ii) your spouse and children are entitled due to your entitlement; and
  - (c) All reduced retirement benefits paid to: (i) you; and (ii) your spouse and children due to your receipt of such benefits.

We do not reduce your gross weekly benefit by the retirement benefits described in (b) and (c) above, to the extent that you and your dependents were entitled to receive such income prior to the start of disability. We will reduce the gross weekly benefit by marginal increases in such income you and your dependents were entitled to receive after disability begins.

We will reduce your gross weekly benefit by benefits referred to in (a), (b) and (c) above, net of attorney fees approved by the Social Security Administration.

We will reduce your gross weekly benefit by benefits referred to in (a), (b) and (c) above to which your spouse and children are entitled due to your receipt of, or entitlement for, disability benefits. We do this without regard to: (a) your marital status; (b) where you live; (c) where your spouse lives; (d) where your child lives; or (e) any custody arrangements made on behalf of your child.

- Income of the type that is included in your insured earnings for purposes of determining your gross weekly benefit under this plan.
- That portion of retirement plan retirement benefits which the employer funds.
- That portion of retirement plan disability benefits which the employer funds.
- Retirement benefits or retirement plan disability benefits, due to your *disability*, from any *government plan* other than those shown above.
- Disability benefits from any: (1) *no-fault motor vehicle* coverage; (2) motor vehicle financial responsibility act; or (3) like law.

- Payment or settlement, with or without admission of liability, from: (1) a Workers' Compensation law; (2) an occupational disease law; or (3) any other act or law of like intent. This includes: (a) the Jones' Act; (b) the Longshoreman's and Harbor Workers' Compensation Act; or (c) any Maritime doctrine of Maintenance, Wages or Cure. If you receive a payment net of attorney fees approved by the Workers' Compensation Board or similar authority, we reduce our benefit by the net payment.
- Disability benefits from any third party when your *disability* is the result of the negligence or intentional tort liability of that third party.
- Unemployment compensation benefits.
- Payment from your *employer* as part of a termination or severance agreement.

We integrate your *gross weekly benefit* with income shown above that you are entitled to receive without regard to the reason you are entitled to receive it.

Our right to reduce your benefit by such income shall not be negated by a transfer of claim liability to a third party. Payment by such third party by law, settlement, judgment, waiver or otherwise shall not negate our right.

### Other Income Not Subject to Deduction

We will not reduce your *gross weekly benefit* by any income you receive or are entitled to receive from the list below.

- Deferred compensation arrangements such as 401(k), 403(b) or 457 plans;
- Profit sharing plans;
- Thrift plans;
- Tax sheltered annuities;
- Stock ownership plans;
- Individual Retirement Accounts (IRA);
- Individual disability income plans;
- Credit disability insurance;
- Non qualified plans of deferred compensation;
- Pension plans for partners;
- Retirement plans of another employer not affiliated with this *plan*;
- Military pension and disability plans;
- Income from a sick leave, salary continuance, or Paid Time Off plan.

**Lump Sum Payments of Other Income** Income with which we integrate may be paid in a lump sum. In this case, we take the equivalent weekly rate stated in the award into account when we determine your *weekly benefit*. If no weekly rate is given, we divide the lump sum payment by the number of calendar days in the period for which it was awarded. This will determine the daily rate. Then, multiply the daily rate by seven. The result is the prorated weekly rate.

**Cost of Living Freeze** You may receive a cost of living increase in other income with which we integrate. In this case, we do not further reduce your *weekly benefit* by the amount of such increase.

**Application for Other Income** You must apply for other income benefits to which you may be entitled. If these benefits are denied, you must appeal until: (a) all possible appeals have been made; or (b) we notify you that no further appeals are required.

If we feel you are entitled to receive such income benefits, we will estimate the amount due to you and your spouse and children. We will take this estimated amount into account when we determine your *weekly benefit*. But, we will not take this estimated amount into account if you sign our reimbursement agreement. In this agreement you promise: (a) to apply for any benefits for which you may be eligible; (b) to appeal any denial of such benefits until all possible appeals have been made; and (c) to repay any amount we overpaid due to an award of such benefits.

If we do reduce your *gross weekly benefit* by an estimated amount, we will adjust your *weekly benefit* when we receive written proof: (a) of the amount awarded; or (b) that the other income benefits have been denied; and no further appeals are possible. If we underpaid you, we pay the full amount of the underpayment in a lump sum.

We will assist you in applying for other income benefits.

**Adjustment of Weekly Benefit for Disability Earnings** This *plan* will not pay benefits if you work during the *elimination period*. We adjust the *weekly benefit* for *disability earnings* as follows.

We pay the greater of the amount calculated under Method 1 or Method 2.

*Method 1:*

We reduce your *weekly benefit* by 50% of your *disability earnings*.

*Method 2:*

- (a) Subtract your *disability earnings* from your *insured earnings*.
- (b) Divide the result in (a) above by your *insured earnings*.
- (c) Multiply the result in (b) above by your *weekly benefit*. This is the amount we pay.

If your *disability earnings* fluctuate widely from week to week, we may adjust your *weekly benefit* using an average *disability earnings* amount. The average *disability earnings* amount will be computed using your most current week's *disability earnings* and the prior two weeks *disability earnings*.

**Maximum Allowable Disability Earnings** This *plan* limits the amount of income you may earn, or may be able to earn, and still be considered *disabled*.

If your *disability earnings* are more than 80% of your *insured earnings*, payments from this *plan* will end. Payments from this *plan* will also end if you are able to earn more than 80% of your *insured earnings*.

**Rehabilitation and Case Management**

We will review your *disability* to see if certain services are likely to help you return to *gainful work*. If needed, we may ask for more medical or vocational information.

When our review is complete, we may offer you a *rehabilitation program*.

The *rehabilitation program* will start when a written *rehabilitation agreement* is signed by: (1) you; (2) us; and (3) your *employer*, if needed. The program may include, but is not limited to:

- (a) vocational assessment of your work potential;
- (b) coordination and transition planning with an employer for your return to work;

We have the right to determine which services are appropriate.

If you accept the *rehabilitation agreement*, we will pay an enhanced benefit. The enhanced benefit will be 110% of the *weekly benefit* that would otherwise be paid. This enhanced benefit will be payable as of the first *weekly benefit* after the *rehabilitation program* starts.

We stop paying the enhanced benefit on the earliest of:

- (a) The date your benefits from this *plan* end;
- (b) The date you violate the terms of the *rehabilitation agreement*;
- (c) The date you end the *rehabilitation program*; and
- (d) The date the *rehabilitation agreement* ends.

If you end a *rehabilitation program* without our consent, you must repay any enhanced benefits paid.

**Dependent Care Expenses**

While you are participating in a *rehabilitation program*, we will pay a dependent care expense benefit, when all of the following conditions are met:

- (a) you incur expense to provide care for a qualified dependent;
- (b) the care is provided by a licensed provider other than a family member.

## All Options

**Insured Earnings:** Only a covered person's earnings from the *employer* will be included as *insured earnings*.

We calculate benefit amounts and limits based on the amount of the covered person's *insured earnings* as of the Redetermination date immediately prior to the start of his or her *disability*. See the "Redetermination" section of this *plan*.

### For Partners and S Corporation Shareholders:

*Insured earnings* means the sum of the amounts listed below, divided by 52.

- (a) His or her compensation as an employee or S Corporation shareholder, as reported on his or her Federal Income Tax Return, Form 1040, for the prior calendar year, less the gross total of unadjusted employee business expenses as included on the corresponding Schedule A-Itemized Deductions;
- (b) His or her non-passive income (loss) from trade or business as reported on Schedule E-Part II of his or her Federal Income Tax Return, Form 1040, for the prior calendar year, less any expenses incurred and reported elsewhere on his or her Return; and
- (c) His or her contributions during the prior calendar year, deposited into a:
  - (a) cash or deferred compensation plan, or salary reduction plan, qualified under IRC Section: 401(k); 403(b); 457; or similar plan; and
  - (b) elective employee pre-tax deferrals to a Section 125 plan or flexible spending account.

The covered person may not have been a partner or S Corporation shareholder for the entire previous calendar year. In this case, the covered person's earnings are based on the weekly average of the sum of the listed amounts, averaged for the full number of weeks that he or she was a partner or an S Corporation shareholder during such calendar year.

### For Sole Proprietors:

*Insured earnings* means: (a) the average weekly net profit as determined from Schedule C - Part II of the covered person's Federal Income Tax Return, Form 1040, for the prior calendar year; plus (b) the covered person's average weekly contribution during the prior calendar year deposited into a: (i) cash or deferred compensation plan, or salary reduction plan, qualified under IRC Section: 401(k); 403(b); 457; or similar plan; and (ii) a Section 125 plan or flexible spending account. Weekly net profit is calculated as gross income less total expenses. The covered person may not have been a sole proprietor for the previous calendar year. In this case, we calculate average weekly net profit and average weekly contributions using the full number of weeks that he or she was a sole proprietor during such calendar year.

For Covered Persons Who Are Compensated on Less Than a 12 Month Basis:

*Insured earnings* means the covered person's average rate of weekly earnings determined from his or her annual contract salary. *Insured earnings* also includes the covered person's contributions deposited into a: (a) cash or deferred compensation plan, or salary reduction plan, qualified under IRC Section: 401(k); 403(b); 457; or similar plan; and (b) elective employee pre-tax deferrals to a Section 125 plan or flexible spending account. *Insured earnings* does not include bonuses, commissions, overtime pay, expense accounts, stock options and any other extra compensation. We do not include pay for hours worked or billed over 40 per week. Earnings based on excluded income and *employer* contributions deposited into such 401(k); 403(b); 457; or similar plan are excluded.

For Covered Persons Whose Income Is Reported on a IRS Form 1099:

*Insured earnings* means the covered person's average rate of weekly earnings as figured from the 1099 form received from the *employer* for the prior calendar year, calculated as (a) minus (b), divided by 52 or the number of weeks the covered person worked for the *employer* during such calendar year, if less than 52.

- (a) his or her earned income as reported on the 1099 form.
- (b) business expenses, as reported on Schedule C - Part II of his or her Federal Income Tax Return, Form 1040.

*Insured earnings* also includes the covered person's contributions deposited into a: (a) cash or deferred compensation plan, or salary reduction plan, qualified under IRC Section: 401(k); 403(b); 457; or similar plan; and (b) elective employee pre-tax deferrals to a Section 125 plan or flexible spending account.

Earnings based on excluded income and *employer* contributions deposited into such 401(k); 403(b); 457; or similar plan are excluded.

For All Other Covered Persons:

*Insured earnings* means a covered person's base weekly salary. *Insured earnings* also includes the covered person's contributions deposited into a: (a) cash or deferred compensation plan, or salary reduction plan, qualified under IRC Section: 401(k); 403(b); 457; or similar plan; and (b) elective employee pre-tax deferrals to a Section 125 plan or flexible spending account. *Insured earnings* does not include bonuses, commissions, overtime pay, expense accounts, stock options and any other extra compensation. We do not include pay for hours worked or billed over 40 per week. Earnings based on excluded income and *employer* contributions deposited into such 401(k); 403(b); 457; or similar plan are excluded.

**Maximum Payment Period:** The *maximum payment period* is the longest time that benefits are paid by this *plan* for a covered person's *disability*. It is determined by the table shown below.

See "Disabilities with a Limited Maximum Payment Period" and "Pre-Existing Conditions."

For a *disability* starting before the employee reaches age 60, the *maximum payment period* will last until the Social Security Normal Retirement Age as shown in the following table:

**Recurring Disability** Benefits from this *plan* end if you cease to be *disabled*. But, a later *disability* may be treated as a *recurring disability*, if all of the terms listed below are met:

- (a) You must return to *active work* right after your benefits end;
- (b) The *disability* must recur less than six months after you were last entitled to benefits;
- (c) The later *disability* must be due to the same or related cause of your earlier *disability*;
- (d) This *plan* must not end during your return to *active work*;

We calculate your *gross monthly benefit* according to the Schedule of Benefits.

**Redetermination:** This plan redetermines *insured earnings* for each covered person on October 1st .

Each October 1st , the *plan sponsor* must report current *insured earnings* for all covered persons under the *plan*. Changes to a covered person's *insured earnings* are subject to any proof of insurability requirements of this *plan*. As of this *plan's* redetermination date, we use a covered person's *insured earnings* on record with us to: (a) set rates; (b) project benefit amounts and limits; and (c) calculate premium payable under this *plan*. However, the covered person must be *actively-at-work* on a full-time basis on that date. If you are not, we do not do this until the date you return to *active work* on a full-time basis. But, changes in earnings will not apply to a *recurring disability*.

This does not include payments made from a group life insurance plan's: (a) accelerated death benefit; or (b) like provision that allows payment of such plan's proceeds due to terminal illness.

- Disability benefits from any other group plan; but, if the other group plan was in force prior to this *plan*, and the other group plan also deducts for disability benefits from any other group plan, we will not deduct these other group disability benefits.
- Income from a sick leave, salary continuance or Paid Time Off plan, but only to the extent that such income plus the amount of your *gross monthly benefit* is more than 100% of your *insured earnings*. This applies whether such plan is sponsored on a formal or informal basis. This includes donated, lump sum and recurrent payments of accrued sick leave benefits. But, if you are working while *disabled*, we will account for such income as described in this *plan's* "Adjustment of Monthly Benefit for Disability Earnings".
- Benefits as shown below from: (1) the United States Social Security Act; (2) the Railroad Retirement Act; or (3) any other like U.S. or Canadian plan or act.
  - (a) All disability benefits for which: (i) you are entitled; and (ii) your spouse and children are entitled due to your *disability*;
  - (b) All unreduced retirement benefits for which: (i) you are entitled; and (ii) your spouse and children are entitled due to your entitlement; and
  - (c) All reduced retirement benefits paid to: (i) you; and (ii) your spouse and children due to your receipt of such benefits.

We do not reduce your *gross monthly benefit* by the retirement benefits described in (b) and (c) above, to the extent that you and your dependents were entitled to receive such income prior to the start of *disability*. We will reduce the *gross monthly benefit* by marginal increases in such income you and your dependents were entitled to receive after *disability* begins.

We will reduce your *gross monthly benefit* by benefits referred to in (a), (b) and (c) above, net of attorney fees approved by the Social Security Administration.

We will reduce your *gross monthly benefit* by benefits referred to in (a), (b) and (c) above to which your spouse and children are entitled due to your receipt of, or entitlement for, disability benefits. We do this without regard to: (a) your marital status; (b) where you live; (c) where your spouse lives; (d) where your child lives; or (e) any custody arrangements made on behalf of your child.

- Income of the type that is included in your *insured earnings* for purposes of determining your *gross monthly benefit* under this *plan*.
- That portion of *retirement plan retirement benefits* which the *employer* funds.
- That portion of *retirement plan disability benefits* which the *employer* funds.
- *Retirement benefits or retirement plan disability benefits*, due to the your *disability*, from any *government plan* other than those shown above.

- Disability benefits from any: (1) *no-fault motor vehicle* coverage; (2) motor vehicle financial responsibility act; or (3) like law.
- Payment or settlement, with or without admission of liability, from: (1) a Workers' Compensation law; (2) an occupational disease law; or (3) any other act or law of like intent. This includes: (a) the Jones' Act; (b) the Longshoreman's and Harbor Workers' Compensation Act; or (c) any Maritime doctrine of Maintenance, Wages or Cure. If you receive a payment net of attorney fees approved by the Workers' Compensation Board or similar authority, we reduce our benefit by the net payment.
- Disability benefits from any third party when your *disability* is the result of the negligence or intentional tort liability of that third party.
- Unemployment compensation benefits.
- Payment from your *employer* as part of a termination or severance agreement.

We integrate your *gross monthly benefit* with income shown above that you are entitled to receive without regard to the reason you are entitled to receive it.

Our right to reduce your benefit by such income shall not be negated by a transfer of claim liability to a third party. Payment by such third party by law, settlement, judgment, waiver or otherwise shall not negate our right.

**Other Income Not Subject to Deduction:** We will not reduce your *gross monthly benefit* by any income you receive or are entitled to receive from the list below.

- Deferred compensation arrangements such as 401(k), 403(b) or 457 plans;
- Profit sharing plans;
- Thrift plans;
- Tax sheltered annuities;
- Stock ownership plans;
- Individual Retirement Accounts (IRA);
- Individual disability income plans;
- Credit disability insurance;
- Non qualified plans of deferred compensation;
- Pension plans for partners;
- Retirement plans of another employer not affiliated with this *plan*;
- Military pension and disability plans.

**Lump Sum Payments of Other Income:** Income with which we integrate may be paid in a lump sum. In this case, we take the equivalent monthly rate stated in the award into account when we determine your *monthly benefit*. If no monthly rate is given, we pro-rate the lump sum over the lesser of: (a) 60 months; or (b) the expected remaining number of months for which you would be entitled to benefits from this *plan*, based on the proof of loss submitted to us.

**Cost of Living Freeze:** You may receive a cost of living increase in other income with which we integrate. In this case, we do not further reduce your monthly benefit by the amount of such increase.

**Application for Other Income:** You must apply for other income benefits to which you may be entitled. If these benefits are denied, you must appeal until: (a) all possible appeals have been made; or (b) we notify you that no further appeals are required.

If we feel you are entitled to receive such income benefits, we will estimate the amount due to you and his or your spouse and children. We will take this estimated amount into account when we determine your *monthly benefit*. But, we will not take this estimated amount into account if you sign our reimbursement agreement. In this agreement you promise: (a) to apply for any benefits for which you may be eligible; (b) to appeal any denial of such benefits until all possible appeals have been made; and (c) to repay any amount we overpaid due to an award of such benefits.

If we do reduce the your *gross monthly benefit* by an estimated amount, we will adjust your *monthly benefit* when we receive written proof: (a) of the amount awarded; or (b) that the other income benefits have been denied; and no further appeals are possible. If we underpaid you, we pay the full amount of the underpayment in a lump sum.

We will assist you in applying for other income benefits.

### **Adjustment of Monthly Benefit for Disability Earnings:**

We adjust the *monthly benefit* for *disability earnings* as follows.

For each of the first 12 months of payments, following the date you first have *disability earnings*, add your *gross monthly benefit* and your *disability earnings*.

- (a) If the sum is not more than 100% of your indexed *insured earnings*, we do not reduce your *monthly benefit*.
- (b) If the sum is more than 100% of your indexed *insured earnings*, we reduce your *monthly benefit* by the amount over 100% of your indexed *insured earnings*.

For each month thereafter, we pay the greater of the amount calculated under Method 1 or Method 2.

#### *Method 1:*

- (a) If your *disability earnings* are less than 20% of your indexed *insured earnings*, we do not reduce your *monthly benefit*.
- (b) If your *disability earnings* are 20% or more of your indexed *insured earnings*, we reduce your *monthly benefit* by 50% of your *disability earnings*.

#### *Method 2:*

- (a) Subtract your *disability earnings* From your indexed *insured earnings*.
- (b) Divide the result in (a) above by your indexed *insured earnings*.
- (c) Multiply the result in (b) above by your *monthly benefit*. This is the amount we pay.

If your *disability earnings* fluctuate widely from month to month, we may adjust your *monthly benefit* using an average *disability earnings* amount. The average *disability earnings* amount will be computed using your most current month's *disability earnings* and the prior two months *disability earnings*.

**Maximum Allowable Disability Earnings:** This *plan* limits the amount of income you may earn, or may be able to earn, and still be considered *disabled*.

If your *disability earnings* are more than the limit shown below, payments from this *plan* will end. Payments from this *plan* will also end if you are able to earn more than the limit shown below:

- (a) During the *elimination period* and the *own occupation* period, the limit is 80% of your indexed *insured earnings*.
- (b) After this *plan* has paid benefits for 24 months in a row, the limit is 60% of your indexed *insured earnings*.

## All Options

**Indexing:** We apply an indexing factor to your *insured earnings* on the date you have received 12 consecutive monthly payments and each anniversary thereafter. This factor increases the amount of income you may earn and still be considered *disabled*. This adjustment does not increase your *gross monthly benefit*, *monthly benefit*, or any other benefit under this *plan*.

To make the first adjustment, we multiply your *insured earnings* by the indexing factor for that year. To make adjustments in each later year, we multiply the amount of your last indexed *insured earnings* by the indexing factor for the current year.

The indexing factor is the lesser of: (a) 10%; or (b) one-half of the *CPI-W* from the prior December.

**Minimum Payment:** The minimum monthly payment for *disability* under this *plan* is \$100.00.

The *maximum payment period* for all periods of *disability* due to: (a) a *mental illness*; (b) drug or alcohol abuse; or (c) a specific condition listed below is 24 months. This is a combined maximum for all such conditions and all periods of *disability*.

**Pre-Existing Conditions** A pre-existing condition is an *injury* or *sickness*, whether diagnosed or misdiagnosed, and any symptoms thereof, for which, in the look back period, you:

- (a) receive advice or treatment from a *doctor*;
- (b) undergo diagnostic procedures other than routine screening in the absence of symptoms or suspicion of disease process by a *doctor*;
- (c) are prescribed or take prescription drugs; or
- (d) receive other medical care or treatment, including consultation with a *doctor*.

The "look back period" is the three months before the latest of: (a) the effective date of your insurance under this *plan*; (b) the effective date of a change that increases the benefits payable by this *plan*; and (c) the effective date of a change in your benefit election that increases the benefit payable by this *plan*.

No benefits are payable for *disability* : (a) caused by or (b) resulting from; a pre-existing condition; unless the *disability* starts after you complete at least one full day of *active work* after the date you are insured under this *plan* for 12 months in a row.

*Disability* that is: (a) caused by or (b) resulting from; a pre-existing condition may begin after: (a) a change which provides for an increase in the benefits payable by this *plan*; or (b) a change in your benefit election which increases the benefit payable by this *plan*. In this case, your benefit will be limited to the amount that would have been payable had the change not taken place. But, this limit does not apply if your *disability* starts after you complete at least one full day of *active work* after the change has been in force for 12 months in a row.

We do not cover any *disability* that starts before your insurance under this *plan*.

**Prior Coverage Credit:** If this *plan* replaces a similar income replacement plan the *plan sponsor* had with another insurer, the pre-existing condition provision may not apply to you. This *plan* must start right after the old plan ends.

The pre-existing condition provision will be waived for any covered person who: (a) is *actively working* on the effective date of this *plan*; and (b) fulfilled the requirements of any pre-existing condition provision of the old plan.

If you: (a) were covered under the old plan when it ended; (b) enroll for insurance under this *plan* on or before this *plan's* effective date; and (c) are *actively working* on the effective date of this *plan*; but (d) have not fulfilled the requirements of any pre-existing condition provision of the old plan; we credit any time used to meet the old plan's pre-existing condition provision toward meeting this *plan's* pre-existing condition provision.

But, we limit your *maximum monthly benefit* under this *plan* if: (a) it is more than the maximum monthly benefit for which you were insured under the old plan; (b) you become *disabled* due to a pre-existing condition; and (c) this *plan* pays benefits for such *disability* because we credit time as explained above. In this case, we limit the *maximum monthly benefit* to the amount you would have been entitled to under the old plan.

We deduct all payments made by the old plan under an extension provision.

**Early Intervention Services** This *plan* includes Early Intervention services as part of our disability management program. The intent of these services is to: (a) assist *disabled* persons in reaching better outcomes; and (b) support the *employer's* absence management goals by promoting stay-at work and return-to work agendas where possible.

The key to success of an early intervention program is prompt notification of work absences which have the potential to exceed this *plan's elimination period*. With a prompt notification, we are able to more effectively manage the potential claim.

When you are *disabled* from one of the conditions listed below, a long term disability claim form should be completed as soon as possible following the date of *disability*. To facilitate an immediate intervention, the form should be submitted to us within one week of the date your *disability* begins.

- *Mental illness*
- Repetitive motion syndromes or injuries

**The Survivor Benefit** We may pay a survivor benefit if you die after you: (a) had been *disabled* for at least six months in a row; and (b) were entitled to receive at least one full *monthly benefit*. When we receive proof of your death, we pay your eligible survivor a lump sum benefit.

We pay a benefit equal to 3 times the amount of your last *monthly benefit* after it is reduced by *disability earnings*. but, we first apply such benefit to reduce any overpayment you may owe us.

If you have no eligible survivor, no survivor benefit is paid.

Your eligible survivor is your spouse, if living.

If your spouse is not living, your eligible survivor is your: (a) unmarried child under age 20 ; and (b) unmarried child under age 26 who is enrolled as a full-time student at an accredited school. If there is more than one such child when you die, this benefit will be paid to each child in equal shares.

**Accelerated Survivor Benefit** If you have a terminal illness, we may accelerate payment of this *plans'* survivor benefit.

For purposes of the accelerated survivor benefit, a terminal illness means a medical condition that is expected to result in your death within 6 months.

To receive an accelerated survivor benefit, you must: (a) be entitled to receive a *monthly benefit* from this *plan*; (b) request this benefit in writing; and (c) provide written proof of terminal illness from a *doctor*. However, we will not pay an accelerated survivor benefit if there are less than 6 months remaining in the maximum benefit period.

If you elect to receive an accelerated survivor benefit, no survivor benefit is payable upon your death.

For purposes of this benefit, spouse includes a partner to a civil union when that union is in accordance with Illinois law. We treat the civil union partner as a spouse in marriage, and the civil union as a marriage. Such unions also include same-sex relationships from other jurisdictions that provide substantially all of the rights and benefits of marriage.

**Income Recovery Benefit** This *plan* may pay an Income Recovery Benefit, if *monthly benefits* cease because you are no longer *disabled*.

To be eligible for the Income Recovery Benefit, you must be:

- (a) able to perform the major duties of your *own occupation*; or
- (b) if this *plan* has already paid benefits for the *own occupation* period, able to perform the major duties of any *gainful occupation*; and

- (d) unable to earn this *plan's* maximum allowable *disability earnings*, due to the *sickness* or *injury* which caused the prior *disability*.

We pay this benefit monthly, in arrears. We determine the amount we pay in two steps. In step one, we compute the following: (a) your gross monthly benefit as of the last month you were disabled under the terms of this *plan*; less (b) any other income this *plan* integrates with that you are entitled to receive. In step two we make a current earnings adjustment. We add: (a) your *gross monthly benefit* as of the last month you were disabled under the terms of this *plan*; and (b) your current *disability earnings*. If such sum exceeds 100% of your insured earnings, we pay the amount in step one less the excess over 100%. If such sum does not exceed 100%, we pay the amount in step one.

**Disability or Disabled** These terms mean that a current *sickness* or *injury* causes physical or mental impairment to such a degree that you are:

- (1) During the *elimination period* and the *own occupation* period, not able to perform, on a full-time basis, the major duties of your *own occupation*.
- (2) After the end of the *own occupation* period, not able to perform, on a full-time basis, the major duties of any *gainful work*.

You are not *disabled* if you earn, or are able to earn, more than this *plan's* maximum allowed *disability earnings*.

You may be required, on average, to work more than 40 hours per week. In this case, you are not *disabled* if you are able to work for 40 hours per week.

Neither: (a) loss of a professional or occupational license; or (b) receipt of or entitlement to Social Security disability benefits; in and of themselves constitute *disability* under this *plan*.

**Disability Earnings** The monthly income you earn from working while *disabled*. It includes salaries, wages, commissions, bonuses and any other compensation earned or accrued while working including pension, profit sharing contributions, sick pay, paid time off, holiday and vacation pay. When you have an ownership interest in the business, *disability earnings* also includes business profits, attributable to you, whether received or not. It includes any income you earn while *disabled* and return to your *employer*, partnership, or any other similar business arrangement to cover any business or overhead expenses. If you have the ability to work on a *part-time* or full-time basis, 1 following the earlier of the date you: (a) have been terminated from employment with the *employer*; (b) have been *disabled* for 12 months in a row; or (c) have been offered a job or workplace modification by the *employer* and you do not return to work; *disability earnings* also includes *maximum capacity earnings*.

**Doctor** Any medical practitioner we are required by law to recognize. He or she must: (a) be properly licensed or certified by the laws of the state where he or she practices; and (b) provide services that are within the lawful scope of his or her practice.

**Elimination Period** The period of time you must be *disabled*, due to a covered *disability*, before this *plan's* benefits are payable.

Any days during which you return to work earning more than 80% of your *insured earnings* will not count toward the *elimination period*. If you are or become eligible under any other similar group income replacement plan while you are working during the *elimination period*, you will not be entitled to benefits from this *plan*.

We do not require you to complete an *elimination period* if: (a) you were covered under a similar income replacement plan the *plan sponsor* had with another insurer on the day before this *plan* starts; (b) your *disability* would have been a recurring disability under the prior plan had it remained in effect.

**Employer** The business entity that employs you and is: (a) the *plan sponsor*; or (b) associated with the *plan sponsor*.

**Gainful Occupation or Gainful Work** Work for which you are, or may become, qualified by: (a) training; (b) education; or (c) experience. When you are able to perform such work on a full-time basis, you can be expected to earn at least 60% of your indexed *insured earnings* as much as your gross monthly benefit, within 12 months of returning to work.

**Government Plan** Any of the following: (1) the United States Social Security Act; (2) the Railroad Retirement Act; (3) the Canadian Pension Plan; or (4) any other plan provided under the laws of a state, province or any other political subdivision. It does not include: (i) any Workers' Compensation Act or similar law; (ii) the Jones' Act; (iii) the Longshoreman's and Harbor Workers' Compensation Act; or (iv) the Maritime Doctrine of Maintenance, Wages, or Cure.

**Gross Monthly Benefit** This *plan's monthly benefit* before it is integrated with other income and earnings.

**Injury** A bodily *injury* due to an accident that occurs, independent of disease or bodily infirmity, while this *plan* is in force. We will consider a *disability* to be caused by an *injury* when the *disability* starts within 90 days of the date of such *injury*.

**Insured Earnings** Only your earnings from the *employer* will be included as *insured earnings*.

Your *gross monthly benefit* may be limited due to proof of insurability requirements. In this case, only the part of your *insured earnings* that applies to the amount of your limited *gross monthly benefit* is used to calculate premiums due under this *plan*. We calculate benefit amounts and limits based on the amount of your *insured earnings* as of the Redetermination date immediately prior to the start of your *disability*. See the "Redetermination" and "Proof of Insurability" sections of this *plan*.

### For Partners and S Corporation Shareholders:

*Insured earnings* means the sum of the amounts listed below, divided by 12.

- (a) Your compensation as an employee or S Corporation shareholder, as reported on your Federal Income Tax Return, Form 1040, for the prior calendar year, less the gross total of unadjusted employee business expenses as included on the corresponding Schedule A-Itemized Deductions;
- (b) Your non-passive income (loss) from trade or business as reported on Schedule E-Part II of your Federal Income Tax Return, Form 1040, for the prior calendar year, less any expenses incurred and reported elsewhere on your Return; and
- (c) Your contributions during the prior calendar year, deposited into a: (a) cash or deferred compensation plan, or salary reduction plan, qualified under IRC Section: 401(k); 403(b); 457; or similar plan; and (b) elective employee pre-tax deferrals to a Section 125 plan or flexible spending account.

You may not have been a partner or S Corporation shareholder for the entire previous calendar year. In this case, your earnings are based on the monthly average of the sum of the listed amounts, averaged for the full number of months that you were a partner or an S Corporation shareholder during such calendar year.

For Sole Proprietors:

Insured earnings means: (a) the average monthly net profit as determined from Schedule C - Part II of your Federal Income Tax Returns, Form 1040, for the prior calendar year; plus (b) your average monthly contribution during the prior calendar year deposited into a: (i) cash or deferred compensation plan, or salary reduction plan, qualified under IRC Section: 401(k); 403(b); 457; or similar plan; and (ii) a Section 125 plan or flexible spending account. Monthly net profit is calculated as gross income less total expenses. You may not have been a sole proprietor for the previous calendar year. In this case, we calculate average monthly net profit and average monthly contributions using the full number of months that you were a sole proprietor during such calendar year.

For Covered Persons Who Are Compensated on Less Than a 12 Month Basis:

Insured earnings means your average rate of monthly earnings determined from your annual contract salary. Insured earnings also includes your contributions deposited into a: (a) cash or deferred compensation plan, or salary reduction plan, qualified under IRC Section: 401(k); 403(b); 457; or similar plan; and (b) elective employee pre-tax deferrals to a Section 125 plan or flexible spending account. Insured earnings does not include bonuses, commissions, overtime pay, expense accounts, stock options and any other extra compensation. We do not include pay for hours worked or billed over 40 per week. Earnings based on excluded income and employer contributions deposited into such 401(k); 403(b); 457; or similar plan are excluded.

For Covered Persons Whose Income Is Reported on a IRS Form 1099:

Insured earnings means your average rate of monthly earnings as figured from the 1099 form received from the employer for the prior calendar year, calculated as (a) minus (b), divided by 12 or the number of months you worked for the employer during such calendar year, if less than 12.

- (a) your earned income as reported on the 1099 form.
- (b) business expenses, as reported on Schedule C - Part II of your Federal Income Tax Return, Form 1040. Insured earnings also includes your contributions deposited into a: (a) cash or deferred compensation plan, or salary reduction plan, qualified under IRC Section: 401(k); 403(b); 457; or similar plan; and (b) elective employee pre-tax deferrals to a Section 125 plan or flexible spending account.

Earnings based on excluded income and employer contributions deposited into such 401(k); 403(b); 457; or similar plan are excluded.

For All Other Covered Persons:

Insured earnings means your base monthly salary. Insured earnings also includes your contributions deposited into a: (a) cash or deferred compensation plan, or salary reduction plan, qualified under IRC Section: 401(k); 403(b); 457; or similar plan; and (b) elective employee pre-tax deferrals to a Section 125 plan or flexible spending account. Insured earnings does not include bonuses, commissions, overtime pay, expense accounts, stock options and any other extra compensation. We do not include pay for hours worked or billed over 40 per week. Earnings based on excluded income and employer contributions deposited into such 401(k); 403(b); 457; or similar plan are excluded.

The modification or adjustment must make it possible for a *disabled* person to: (1) reach the same level of performance as a similarly situated non-disabled person; or (2) enjoy equal benefits and privileges of employment as are available to a similarly situated non-disabled person. The modification or adjustment must not place an undue hardship on the employer.

### Employee Vision Care Expense Coverage

---

**Eligible Employees** To be eligible for employee coverage under this *plan*, you must be an active *full-time employee*. And you must belong to a class of employees covered by this *plan*.

**Other Conditions** You must enroll and agree to make required payments within 31 days of your *eligibility date*. If you fail to do so, you can't enroll until this *plan's* next vision open enrollment period.

This *plan's* vision open enrollment period occurs from September 1st to September 30th of each year.

Once you enroll in this *plan*, you can't drop your vision coverage until this *plan's* next vision open enrollment period. And if you drop your vision coverage, you can't enroll again until the next vision open enrollment period.

If you initially waived vision coverage under this *plan* because you were covered for vision care benefits under another group plan, and you wish to enroll in this *plan* because your coverage under the other plan ends, you may do so without waiting until the next vision open enrollment period. However, your coverage under the other plan must have ended due to one of the following events: (a) termination of your spouse's employment; (b) loss of eligibility under your spouse's plan; (c) divorce; (d) death of your spouse; or (e) termination of the other plan. But you must enroll in this *plan* within 30 days of the date that any of these events occur.

**When Your Coverage Starts** Your coverage under this *plan* is scheduled to start on your effective date. But you must be actively at work on a *full-time* basis on that date. And you must have met all of the applicable conditions explained above, and any applicable waiting period. If you are not actively at work on that date, we will postpone your coverage until the date you return to active *full-time* work.

Sometimes, your effective date is not a regularly scheduled work day. But your coverage will still start on that date if you were actively at work on your last regularly scheduled work day.

**When Your Coverage Ends** Your coverage under this *plan* ends on the date your active *full-time* service ends for any reason. Such reasons include disability, death, retirement, layoff, leave of absence and the end of employment.

It also ends on the date you stop being a member of a class of employees eligible for insurance under this plan, or when this plan ends for all *employees*. And it ends when this *plan* is changed so that benefits for the class of *employees* to which you belong ends.

If you are required to pay part of the cost of this *plan* and you fail to do so, your coverage ends. It ends on the last day of the period for which you made the required payments, unless coverage ends earlier for other reasons.

Read this booklet carefully if your coverage ends. You may have the right to continue vision care benefits for a limited time.

**Eligible Dependents For Dependent Vision Care Benefits** Your *eligible dependents* are your (a) legal spouse; (b) unmarried dependent children who are under age 26; and (c) unmarried dependent children who are under age 30, if the children (i) are Illinois residents, (ii) served as members of the active or reserve components of any of the branches of the Armed Forces of the United States; and (iii) have received a release or discharge other than a dishonorable discharge.

Legal spouse includes a partner to a civil union when that union is in accordance with Illinois law. We treat the civil union partner as a spouse in marriage, and the civil union as a marriage. Such unions also include same-sex relationships from other jurisdictions that provide substantially all of the rights and benefits of marriage.

**Adopted Children And Step-Children** Your "unmarried dependent children" include your legally adopted children and, if they depend on you for most of their support and maintenance, your step-children. We treat a child as legally adopted from the time the child is placed in your home for the purpose of adoption. We treat such a child this way whether or not a final adoption order is ever issued.

We exclude any dependent who is insured by this *plan* as an *employee*. And we exclude any dependent who is on active duty in any armed force.

**Handicapped Children** You may have an unmarried child with a mental or physical handicap, or developmental disability, who can't support himself. Subject to all of the terms of this section and the *plan*, such a child may stay eligible for dependent vision care benefits past this *plan's* age limit.

The child will stay eligible as long as he stays unmarried and unable to support himself, if: (a) his conditions started before he reached this *plan's* age limit; (b) he became insured by this *plan* before he reached the age limit, and stayed continuously insured until he reached such limit; and (c) he depends on you for most of his support and maintenance.

But, for the child to stay eligible, you must send us written proof that the child is handicapped and depends on you for most of his support and maintenance. You have 31 days from the date the child reaches the age limit to do this. We can ask for periodic proof that the child's condition continues. But, after two years, we can't ask for this proof more than once a year.

The child's coverage ends when yours does.

**When Dependent Coverage Starts** In order for your dependent vision coverage to begin, you must already be insured for employee vision coverage, or enroll for employee and dependent vision coverage at the same time. Subject to the "Exception" stated below and to all of the terms of this *plan*, the date your dependent coverage starts depends on when you elect to enroll all of your *initial dependents* and agree to make any required payments.

If you do this on or before your *eligibility date*, your dependent coverage is scheduled to start on the later of the date you sign the enrollment form and the date you become covered for employee coverage.

If you do this during the *enrollment period*, your dependent coverage is scheduled to start on the date you become covered for employee coverage.

If you do this for an *initial dependent* spouse after the *enrollment period* ends, you can't enroll your spouse until the next vision open enrollment period.

If you do this for a initial dependent child after the enrollment period ends, you can't enroll your child until the next yearly vision dependent enrollment period.

Once you have coverage for your initial dependents, you must notify us when you acquire any new dependents, and agree to make any additional payments required for the coverage. If you do this within 31 days of the date the newly acquired dependent becomes eligible, the dependent's coverage will start on the date the dependent becomes eligible.

If you fail to notify us on time once a dependent spouse is acquired, the spouse can't be enrolled until the next vision open enrollment period.

If you fail to notify us on time once a dependent child is acquired, the child can't be enrolled until the next yearly vision dependent enrollment period.

Once a dependent is enrolled for vision care expense insurance, the coverage can't be dropped until the next vision open enrollment period for a dependent spouse or yearly vision dependent enrollment period for a dependent child. And once coverage is dropped for a dependent, the dependent can't be enrolled again until the next vision open enrollment period for a dependent spouse and next yearly vision dependent enrollment period for a dependent child.

The yearly vision dependent enrollment period is a period that begins 30 days prior to the plan's renewal date and ends on the plan's renewal date.

If the newborn child is your first *eligible dependent*, we cover the child from the moment of birth if you enroll for dependent coverage and agree to make any required payments within 31 days of the child's birth. If you fail to enroll on time, you can't enroll the child until the next vision open enrollment period.

If the newborn child is not your first *eligible dependent*, but you did not previously enroll your other *eligible dependents* for vision care expense coverage, you can enroll the child during the next vision open enrollment period, if you also enroll all of your other *eligible dependents* at this time.

**When Dependent Coverage Ends** Dependent coverage ends for all of your dependents when your employee coverage ends. But if you die while insured, we'll automatically continue dependent vision care benefits for those of your dependents who are insured when you die. We'll do this for six months at no cost, provided: (a) the group *plan* remains in force; (b) the dependents remain *eligible dependents*; and (c) in the case of a spouse, the spouse does not remarry.

If a surviving dependent elects to continue his dependent vision care benefits under any other continuation provision of this *plan*, if any, this free continuation period will be provided as the first six months of such continuation. Premiums required to be paid by, or on behalf of a surviving dependent will be waived for the first six months of continuation, subject to restrictions (a), (b) and (c) above. After the first six months of continuation, the remainder of the continuation period, if any, will be subject to the premium requirements, and all of the terms of the other continuation provision.

Dependent coverage also ends for all of your dependents when you stop being a member of a class of employees eligible for such coverage. And it ends when this *plan* ends, or when dependent coverage is dropped from this *plan* for all employees or for an *employee's* class.

If you are required to pay part of the cost of dependent coverage, and you fail to do so, your dependent coverage ends. It ends on the last day of the period for which you made the required payments, unless coverage ends earlier for other reasons.

An individual dependent's coverage ends when he stops being an *eligible dependent*. This happens to a child at 12:01 a.m. on the date the child attains this *plan's* age limit, when he marries, or when a step-child is no longer dependent on the *employee* for support and maintenance. It happens to a spouse when a marriage ends in legal divorce or annulment.

Read this *plan* carefully if dependent coverage ends for any reason. Dependents may have the right to continue vision care benefits for a limited time.

This insurance will pay many of an *employee's* and his or her covered dependent's vision care expenses. What we pay and the terms for payment are explained below.

### This Plan's Vision Care Preferred Provider Organization

---

**Davis Vision:** This *plan* is designed to provide a high quality vision care benefit while controlling the cost of such care. To do this, the *plan* encourages a *covered person* to seek vision care from doctors and vision care facilities that belong to Davis Vision's Preferred Provider Network.

This vision care *preferred provider* organization (PPO) is made up of *preferred providers* in a *covered person's* geographic area. A vision care *preferred provider* is a vision care practitioner or a vision care facility that: (a) is a credentialed provider in Davis Vision's network; and (b) has a current participatory agreement in force with Davis Vision.

Use of the vision care PPO is voluntary. A *covered person* may receive vision care from either a *preferred provider* or a *non-preferred provider*. And, he or she is free to change providers at any time. But, this *plan* usually pays more in benefits for covered services furnished by a vision care *preferred provider*. Conversely, it usually pays less for covered services not furnished by a vision care *preferred provider*.

When an *employee* and his or her dependents enroll in this *plan*, they will get an enrollment packet which will tell them how to obtain benefits and information about current vision care *preferred providers*.

What we pay is based on all of the terms of this *plan*. The *covered person* should read this material with care and have it available when seeking vision care. Read this *plan* carefully for specific benefit levels, frequencies, *copayments* and payment limits.

The *covered person* can call Davis Vision if he or she has any questions after reading this material.

**Choice of Preferred Providers** When a person becomes enrolled in this *plan*, he or she will receive information about Davis Vision *preferred providers* in his or her area. A *covered person* may receive vision services from any current Davis Vision *preferred provider*.

When a *covered person* wants to receive services from a *preferred provider*, he or she must contact the *preferred provider* before receiving treatment. The *preferred provider* will contact Davis Vision to verify the *covered person's* eligibility before any treatment takes place.

It is not necessary to submit a claim for services or supplies from a *preferred provider*.

## This Plan's Vision Care Preferred Provider Organization (Cont.)

---

**Non-Preferred Providers** If a *covered person* receives services or supplies from a *non-preferred provider*, he or she must submit a claim form along with the itemized bill to Davis for claims payment. All claims must be sent to Davis within 90 days of the date services are completed or supplies are received.

Claims for services or supplies from a *non-preferred provider* must be sent to:

### Appeals Process

In the event that a claim is denied, Davis Vision will consult with the provider involved with the *covered person's* vision care treatment. If the issue cannot be resolved, the provider or patient has the right to request a review of the adverse determination. The provider, *covered person* or patient may appeal denied authorizations or claim decisions. Should a *covered person* request a review of an authorization or claim decision, Davis Vision must notify the *covered person*, or his or her designee, within five (5) business days of receipt of the request and the review must be conducted by a clinical peer who was not involved in the original vision care determination. Pre-service review decisions are to be completed within fifteen (15) days and post-service review decisions are to be completed within thirty (30) days, or as required by state statute, from the date that Davis Vision receives notification from the *covered person* or his or her designee and be mailed within five (5) days of the date of decision. Denials can be appealed through Davis Vision's Grievance Resolution Process or as per plan contract. A *covered person* has the right to appeal through an external review organization at any time during the grievance process. A *covered person* has the right to designate a representative, including his or her provider, to act on his or her behalf with regard to review of a vision care claim determination. Use of the Appeals Process does not waive the *covered person's* legal rights.

---

### Grievance Process

**Registering a Complaint or Grievance** A *covered person* has the right to file a grievance or make an appeal to any claim decision at any time. The *covered person* has the right to designate a representative to file complaints and appeals on his or her behalf.

A *covered person* is entitled to a copy of the Grievance Resolution process upon request and a copy will be provided to a *covered person* should the determination be made that vision care benefits are not available.

## Grievance Process (Cont.)

---

Davis Vision defines a "grievance" as a complaint that may or may not require specific corrective action and is made:

1. via the telephone;
2. in writing to Davis Vision;
3. via the Davis Vision website.

A grievance or complaint can arise from and includes but is not limited to the following:

1. benefit denials.
2. an adverse determination as to whether a service is covered pursuant to the terms of the contract.
3. difficulty accessing or utilizing a benefit, and issues regarding the quality of vision care services.
4. challenges with vision care services or products received.
5. dissatisfaction with the resolution of a complaint/grievance or appeal.

### **Verbal Grievances and Telephone Communication**

A *covered person* may file a verbal grievance by contacting Davis Vision. Registering a grievance by telephone will be considered filing a "formal grievance". A Davis Vision associate will acknowledge receipt of all complaints in writing within five (5) business days from the date the grievance or appeal is received.

A *covered person* has access to the Davis Vision toll free number twenty-four (24) hours a day seven (7) days a week to voice any concern or grievance and also has the right to contact their Human Resources Department or Benefits Administration Department. The Davis Vision Toll Free number is: **1 (800) 584-1487**.

### **Written Grievances**

Written notice of grievances received via e-mail, U.S. Mail or other written correspondence will be acknowledged within five (5) business days. All written correspondence should be addressed to:

**Davis Vision  
159 Express Street  
Plainview, New York 11803  
Attention: Quality Assurance/Patient Advocate Department**

A *covered person* can register any concern or grievance by logging on to Davis' website: [www.davisvision.com](http://www.davisvision.com) and entering the "Contact Davis Vision" area.

## Internal Grievance Procedure

---

**Appeal Level 1** Upon receipt of a concern or grievance by a Davis Vision associate, the *covered person* is contacted by telephone, or in writing, within five (5) business days to confirm that the concern or grievance was received and is being investigated. Every attempt is made to contact the *covered person* or his or her designated representative. Contact may include but is not limited to telephone contact, e-mail or U.S. Mail. A designated Davis Vision associate reviews the appeal with the *covered person* and may request additional information. Details of the complaint are documented in the *covered person's* file. The *covered person* is given the Associate's name, phone number, department and the estimated time needed to perform the research. The *covered person* is informed of their right to have a representative, including their provider, present during the review of the concern and final outcome of the investigation. The *covered person* is informed of their right to appeal to an external review organization at any time during the grievance procedure or as required by state statute.

The review committee will include a licensed (peer) health care professional when grievances pertain to clinical decisions. All decisions are reviewed and approved by the Vice President of Professional Affairs, a licensed optometrist.

The investigation may involve contacting the provider or the point of service location to determine the cause of the concern. If necessary, the Regional Quality Assurance Representative (RQAR) or Professional Field Consultant (PFC) will be contacted and a site visit may be scheduled. Davis Vision will contact the *covered person* when further information is required and inform them of the status of the investigation or the need for more information.

The determination will be communicated to the *covered person* within fifteen (15) days for pre-service review decisions and within thirty (30) days for post-service review decisions, or as required by state statute. An additional ten (10) days may be requested in order to complete further research. The written decision will be mailed to the *covered person* within five (5) days of the decision. The appeal determination will include the following:

- the decision, and will include a summary of the facts related to the issue,
- the criteria that was used, summary of the evidence, including the documentation supporting the decision,
- a statement indicating that the decision will be final and binding unless the *covered person* appeals in writing to the Quality Assurance/Patient Advocate Department within fifteen (15) business days of the date of the notice of the decision,
- a copy of the appeals process, if applicable, and
- the name, position, phone number, and department of the person(s) responsible for the decision.

---

## Internal Grievance Procedure (Cont.)

---

The decision of the Quality Assurance/Patient Advocate Department shall be final and binding unless appealed by the *covered person* to Davis Vision within fifteen (15) business days of the date of notice of the decision.

**Appeal Level 2** Should Davis Vision uphold a denial, as the result of a Level 1 review, the *covered person* has the right to request a Level 2 appeal.

A Level 2 appeal will not include associate(s) or licensed (peer) health care professional(s) that were involved in the Level 1 review.

A Level 2 appeal requires the *covered person* to contact Davis Vision in writing or by telephone within fifteen (15) days following receipt of the Level 1 summary statement. The *covered person* requesting a Level 2 appeal must indicate the reason they believe the denial of coverage was incorrect. Davis Vision reserves the right to request further information from the *covered person* or provider.

Davis Vision has thirty (30) days, or as required by state statute, from the date the requested information is received, to respond to the Level 2 pre-service review. Davis Vision has thirty (30) days, or as required by state statute, from the date the requested information is received, to respond to the Level 2 post-service review. The Vice President of Professional Affairs will review all clinical appeals. A Davis Vision Associate(s) and a Regional Quality Assurance Representative(s) (RQAR), a licensed optometrist, not involved in the initial determination will review the Level 1 decision. If the Level 2 appeal upholds the Level 1 determination the *covered person* will be notified in writing of this decision. Notification will include, but not be limited to:

- the decision, and contain a summary stating the nature of the concern and the facts related to the issue,
- the criteria that was used, summary of the evidence, including documentation that was used to support the decision,
- a statement indicating that the decision will be final and binding unless the *covered person* appeals in writing or by telephone to the Quality Assurance/Patient Advocacy Department within forty-five (45) days of the date of the notice of the Level 2 decision,
- a copy of the appeals process, if applicable, and
- the name, position, phone number, and department of person(s) responsible for the decision.

---

## External Grievance Procedure

---

**External Review** A *covered person*, as required by state statute, has the right to request an impartial review of concerns that resulted in a denial of coverage. A *covered person* who has exhausted the internal appeals process may appeal the final decision if the denial for services was not deemed medically necessary or the requested service was deemed Investigational or Experimental.

## External Grievance Procedure (Cont.)

---

An external review organization will refer the case for review by a neutral, independent practitioner experienced in vision care. Davis Vision will provide all requested documentation to the external review organization. The external review organizations will have up to thirty (30) days, or as required by state statute, to make their determination.

**External Review Process** A *covered person* has the right to an external review of a denial of coverage. A *covered person* has the right to an external review of a final adverse decision under the following circumstances:

- the *covered person* has been denied a vision care service, which should have been covered under the terms of the contract.
- services were denied on the basis that requested services were not medically necessary.
- a treatment or service that will have a significant positive impact on the *covered person* has been denied and any alternative service or treatment will not affect the *Covered person's* ocular health and/or produce a negative outcome.
- services denied are related to a current illness or injury.
- the cost of the requested services will not exceed that of any equally effective treatment.
- the denied service, procedure or treatment is a covered benefit under the *Covered person's* policy.
- the *covered person* has exhausted all internal appeal processes with an adverse determination upheld at each level.

Investigational or Experimental Treatment means an approved ocular diagnostic procedure warranted by the ocular health of the *covered person* and the subsequent diagnostic findings could alter the *covered person's* treatment plan. The risk of a negative outcome utilizing the approved treatment would be no greater than utilizing an alternative treatment.

The vision care provider may contact the appropriate State Agency to determine if other documentation may be required for the appeal process.

Once the determination is made, notification is made, in writing, within two (2) business days. This notification will include an explanation and the clinical criteria used in the decision.

**The following notice applies if your plan is governed by the Employee Retirement Income Security Act of 1974 and its amendments. This notice is not part of the Guardian plan of insurance or any employer funded benefits, not insured by Guardian.**

---

**STATEMENT OF ERISA RIGHTS**

---

As a participant, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to:

**Receive Information About Your Plan and Benefits**

- (a) Examine, without charge, at the plan administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U. S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
- (b) Obtain, upon written request to the plan administrator, copies of documents governing the operation of the plan, including insurance contracts, collective bargaining agreements and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.
- (c) Receive a summary of the plan's annual financial report. The plan administrator is required by law to furnish each participant with a copy of this summary annual report.

**Prudent Actions By  
Plan Fiduciaries**

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate the plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of plan participants and beneficiaries. No one, including your employer, your union, or any other person may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

**Enforcement Of  
Your Rights**

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

## Statement of Erisa Rights (Cont.)

---

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a state or Federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110.00 a day until you receive the material, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a federal court. If it should happen that plan fiduciaries misuse the plan's money or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds that your claim is frivolous.

### **Assistance with Questions**

If you have questions about the plan, you should contact the plan administrator. If you have questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefits Security Benefits Administration, U.S. Department of Labor listed in your telephone directory or the Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

### **Qualified Medical Child Support Order**

Federal law requires that group health plans provide medical care coverage of a dependent child pursuant to a qualified medical child support order (QMCSO). A "qualified medical child support order" is a judgment or decree issued by a state court that requires a group medical plan to provide coverage to the named dependent child(ren) of an employee pursuant to a state domestic relations order. For the order to be qualified it must include:

- The name of the group health plan to which it applies.
- The name and last known address of the employee and the child(ren).
- A reasonable description of the type of coverage or benefits to be provided by the plan to the child(ren).
- The time period to which the order applies.

A dependent enrolled due to a QMCSO will not be considered a late enrollee in the plan.

Note: A QMCSO cannot require a group health plan to provide any type or form of benefit or option not otherwise available under the plan except to the extent necessary to meet medical child support laws described in Section 90 of the Social Security Act.

If you have questions about this statement, see the plan administrator.

## Group Health Benefits Claims Procedure

If you seek benefits under the plan you should complete, execute and submit a claim form. Claim forms and instructions for filing claims may be obtained from the Plan Administrator.

Guardian is the Claims Fiduciary with discretionary authority to determine eligibility for benefits and to construe the terms of the plan with respect to claims. Guardian has the right to secure independent professional healthcare advice and to require such other evidence as needed to decide your claim.

In addition to the basic claim procedure explained in your certificate, Guardian will also observe the procedures listed below. These procedures are the minimum requirements for benefit claims procedures of employee benefit plans covered by Title 1 of the Employee Retirement Income Security Act of 1974 ("ERISA").

**Definitions** "Adverse determination" means any denial, reduction or termination of a benefit or failure to provide or make payment (in whole or in part) for a benefit. A failure to cover an item or service: (a) due to the application of any utilization review; or (b) because the item or service is determined to be experimental or investigational, or not medically necessary or appropriate, is also considered an adverse determination.

"Group Health Benefits" means any dental, out-of-network point-of-service medical, major medical, vision care or prescription drug coverages which are a part of this plan.

"Pre-service claim" means a claim for a medical care benefit with respect to which the plan conditions receipt of the benefit, in whole or in part, on approval of the benefit in advance of receipt of care.

"Post-service claim" means a claim for payment for medical care that already has been provided.

"Urgent care claim" means a claim for medical care or treatment where making a non-urgent care decision: (a) could seriously jeopardize the life or health of the claimant or the ability of the claimant to regain maximum function, as determined by an individual acting on behalf of the plan applying the judgment of a prudent layperson who possesses an average knowledge of health and medicine; or (b) in the opinion of a physician with knowledge of the claimant's medical condition, would subject the claimant to severe pain that cannot be adequately managed without the care.

Note: Any claim that a physician with knowledge of the claimant's medical condition determines is a claim involving urgent care will be treated as an urgent care claim for purposes of this section.

**Timing For Initial Benefit Determination** The benefit determination period begins when a claim is received. Guardian will make a benefit determination and notify a claimant within a reasonable period of time, but not later than the maximum time period shown below. A written or electronic notification of any adverse benefit determination must be provided.

## Group Health Benefits Claims Procedure (Cont.)

---

**Urgent Care Claims.** Guardian will make a benefit determination within 72 hours after receipt of an urgent care claim.

If a claimant fails to provide all information needed to make a benefit determination, Guardian will notify the claimant of the specific information that is needed as soon as possible but no later than 24 hours after receipt of the claim. The claimant will be given not less than 48 hours to provide the specified information.

Guardian will notify the claimant of the benefit determination as soon as possible but not later than the earlier of:

- the date the requested information is received; or
- the end of the period given to the claimant to provide the specified additional information.

The required notice may be provided to the claimant orally within the required time frame provided that a written or electronic notification is furnished to the claimant not later than 3 days after the oral notification.

**Pre-Service Claims.** Guardian will provide a benefit determination not later than 15 days after receipt of a pre-service claim. If a claimant fails to provide all information needed to make a benefit determination, Guardian will notify the claimant of the specific information that is needed as soon as possible but no later than 5 days after receipt of the claim. A notification of a failure to follow proper procedures for pre-service claims may be oral, unless a written notification is requested by the claimant.

The time period for providing a benefit determination may be extended by up to 15 days if Guardian determines that an extension is necessary due to matters beyond the control of the plan, and so notifies the claimant before the end of the initial 15-day period.

If Guardian extends the time period for making a benefit determination due to a claimant's failure to submit information necessary to decide the claim, the claimant will be given at least 45 days to provide the requested information. The extension period will begin on the date on which the claimant responds to the request for additional information.

**Post-Service Claims.** Guardian will provide a benefit determination not later than 30 days after receipt of a post-service claim. If a claimant fails to provide all information needed to make a benefit determination, Guardian will notify the claimant of the specific information that is needed as soon as possible but no later than 30 days after receipt of the claim.

The time period for completing a benefit determination may be extended by up to 15 days if Guardian determines that an extension is necessary due to matters beyond the control of the plan, and so notifies the claimant before the end of the initial 30-day period.

If Guardian extends the time period for making a benefit determination due to a claimant's failure to submit information necessary to decide the claim, the claimant will be given at least 45 days to provide the requested information. The extension period will begin on the date on which the claimant responds to the request for additional information.

## Group Health Benefits Claims Procedure (Cont.)

---

**Concurrent Care Decisions.** A reduction or termination of an approved ongoing course of treatment (other than by plan amendment or termination) will be regarded as an adverse benefit determination. This is true whether the treatment is to be provided(a) over a period of time; (b) for a certain number of treatments; or (c) without a finite end date. Guardian will notify a claimant at a time sufficiently in advance of the reduction or termination to allow the claimant to appeal.

In the case of a request by a claimant to extend an ongoing course of treatment involving urgent care, Guardian will make a benefit determination as soon as possible but no later than 24 hours after receipt of the claim.

### **Adverse Benefit Determination**

If a claim is denied, Guardian will provide a notice that will set forth:

- the specific reason(s) for the adverse determination;
- reference to the specific plan provision(s) on which the determination is based;
- a description of any additional material or information necessary to make the claim valid and an explanation of why such material or information is needed;
- a description of the plan's claim review procedures and the time limits applicable to such procedures, including a statement indicating that the claimant has the right to bring a civil action under ERISA Section 502(a) following an adverse benefit determination;
- identification and description of any specific internal rule, guideline or protocol that was relied upon in making an adverse benefit determination, or a statement that a copy of such information will be provided to the claimant free of charge upon request;
- in the case of an adverse benefit determination based on medical necessity or experimental treatment, notice will either include an explanation of the scientific or clinical basis for the determination, or a statement that such explanation will be provided free of charge upon request; and
- in the case of an urgent care adverse determination, a description of the expedited review process.

### **Appeal of Adverse Benefit Determinations**

If a claim is wholly or partially denied, the claimant will have up to 180 days to make an appeal.

A request for an appeal of an adverse benefit determination involving an urgent care claim may be submitted orally or in writing. Necessary information and communication regarding an urgent care claim may be sent to Guardian by telephone, facsimile or similar expeditious manner.

Guardian will conduct a full and fair review of an appeal which includes providing to claimants the following:

- the opportunity to submit written comments, documents, records and other information relating to the claim;

## Group Health Benefits Claims Procedure (Cont.)

---

- the opportunity, upon request and free of charge, for reasonable access to, and copies of, all documents, records and other information relating to the claim; and
- a review that takes into account all comments, documents, records and other information submitted by the claimant relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination.

In reviewing an appeal, Guardian will:

- provide for a review conducted by a named fiduciary who is neither the person who made the initial adverse determination nor that person's subordinate;
- in deciding an appeal based upon a medical judgment, consult with a health care professional who has appropriate training and experience in the field of medicine involved in the medical judgment;
- identify medical or vocational experts whose advice was obtained in connection with an adverse benefit determination; and
- ensure that a health care professional engaged for consultation regarding an appeal based upon a medical judgment shall be neither the person who was consulted in connection with the adverse benefit determination, nor that person's subordinate.

Guardian will notify the claimant of its decision regarding review of an appeal as follows:

**Urgent Care Claims.** Guardian will notify the claimant of its decision as soon as possible but not later than 72 hours after receipt of the request for review of the adverse determination.

**Pre-Service Claims.** Guardian will notify the claimant of its decision not later than 30 days after receipt of the request for review of the adverse determination.

**Post-Service Claims.** Guardian will notify the claimant of its decision not later than 60 days after receipt of the request for review of the adverse determination.

**Alternative Dispute Options** The claimant and the plan may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact the local U.S Department of Labor Office and the State insurance regulatory agency.

New York, New York 10001  
(212) 598-8000

Your group term life insurance benefits may be covered by the Employee Retirement Income Security Act of 1974 (ERISA). If so, you are entitled to certain rights and protections under ERISA.

ERISA provides that all plan participants shall be entitled to:

**Receive Information about Your Plan and Benefits**

- Examine, without charge, at the plan administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U. S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
- Obtain, upon written request to the plan administrator, copies of documents governing the operation of the plan, including insurance contracts, collective bargaining agreements and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.
- Receive a summary of the plan's annual financial report. The plan administrator is required by law to furnish each participant with a copy of this summary annual report.

**Prudent Actions by Plan Fiduciaries**

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate the plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of plan participants and beneficiaries. No one, including your employer, your union, or any other person may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

**Enforcement of Your Rights**

If your claim for a welfare benefit is denied or ignored, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules (see Claims Procedures below).

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a state or Federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110.00 a day until you receive the material, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, you may file suit in a federal court. If it should happen that plan fiduciaries misuse the plan's money or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds that your claim is frivolous.

**Assistance with Questions** If you have questions about the plan, you should contact the plan administrator. If you have questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor listed in your telephone directory or the Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

**Life Insurance Claims Procedure** If you seek benefits under the plan you should complete, execute and submit a claim form. Claim forms and instructions for filing claims may be obtained from the Guardian Life Insurance Company of America (hereinafter referenced as Guardian.)

Guardian is the Claims Fiduciary with discretionary authority to interpret and construe the terms of the Policy, the Certificate, the Schedule of Benefits, and any riders, or other documents or forms that may be attached to the Certificate or the Policy, and any other plan documents. Guardian has discretionary authority to determine eligibility for benefits and coverage under those documents. Guardian has the right to secure independent professional healthcare advice and to require such other evidence as needed to decide your claim.

In addition to the basic claim procedure explained in your certificate, Guardian will also observe the procedures listed below. These procedures are the minimum requirements for benefit claims procedures of employee benefit plans covered by Title 1 of ERISA.

**Definitions** "Adverse determination" means any denial, reduction or termination of a benefit or failure to provide or make payment for a benefit.

**Timing for Initial Benefit Determination of Life Insurance Claims** The benefit determination period begins when a claim is received. Guardian will make a benefit determination and notify a claimant within a reasonable period of time, but not later than the maximum time period shown below. A written or electronic notification of any adverse benefit determination must be provided.

Guardian will provide a benefit determination not later than 90 days from the date of receipt of a claim. This period may be extended by up to 90 days if Guardian determines that an extension is necessary due to special circumstances, and so notifies the claimant before the end of the initial 90-day period. Such notification will include the reason for the special circumstances requiring the extension and a date by which the determination is expected to be made.

A notification of an extension to the time period in which a benefit determination will be made will include an explanation of the standards upon which entitlement to a benefit is based, any unresolved issues that prevent a decision of the claim, and the additional information needed to resolve those issues.

**Adverse Benefit Determination of Life Insurance Claims**

If a claim is wholly or partially denied, you will have up to 60 days to make an appeal. Guardian will conduct a full and fair review of an appeal which includes providing to claimants the following:

- The opportunity, upon request and free of charge, for reasonable access to, and copies of, all documents, records and other information relevant to the claim; and

Guardian will notify the claimant of its decision not later than 60 days after receipt of the request for review of the adverse determination. This period may be extended by an additional period of up to 60 days if Guardian determines that special circumstances require an extension of the time period for processing and so notifies the claimant before the end of the initial 60-day period.

A notification with respect to an extension will indicate the special circumstances requiring an extension of the time period for review, and the date by which the final determination will be made.

In the event Guardian denies the appeal of an adverse benefit determination, it will:

- Provide the specific reason or reasons why the appeal was denied;
- Refer to the specific provisions in the Policy, Certificate, plan, or other documents on which the benefit determination is based;
- Provide a statement that the claimant is entitled to receive, upon request and free of charge, reasonably access to, and copies of all documents, records, and other information relevant to the claimant's claim for benefits; and

**Timing For Initial Benefit Determination for Waiver of Premium** The benefit determination period begins when claim is received. Guardian will make a benefit determination and notify a claimant within a reasonable period of time, but not later than the time period shown below. A written or electronic notification of any adverse determination must be provided.

Guardian will make a determination of whether the claimant meets the plan's standard for total disability not later than 45 days from the date of receipt of a claim. This period may be extended by up to 30 days if Guardian determines that an extension is necessary due to matters beyond the control of the plan, and so notifies the claimant before the end of the initial 45-day period. Such notification will include the reason for the extension and a date by which the determination will be made. If prior to the end of the 30-day period Guardian determines that an additional extension is necessary due to matters beyond the control of the plan, and so notifies the claimant, the time period for making a benefit determination may be extended for up to an additional period of up to 30 days. Such notification will include the special circumstances requiring the extension and a date by which the final determination will be made.

A notification of an extension to the time period in which a benefit determination will be made will include an explanation of the standards upon which entitlement to a benefit is based, any unresolved issues that prevent a decision of the claim, and the additional information needed to resolve those issues.

If Guardian extends the time period for making a benefit determination due to a claimant's failure to submit the information necessary to decide the claim, the claimant will be given at least 45 days to provide the requested information. The extension period will begin on the date on which the claimant responds to the request for additional information.

**STATEMENT OF ERISA RIGHTS**

---

**The Guardian Life Insurance Company of America  
10 Hudson Yards  
New York, New York 10001  
(212) 598-8000**

Your group Short Term and/or Long Term Disability Income benefits may be covered by the Employee Retirement Income Security Act of 1974 (ERISA). If so, you are entitled to certain rights and protections under ERISA.

ERISA provides that all plan participants shall be entitled to:

**Receive Information  
about Your Plan and  
Benefits**

- (a) Examine, without charge, at the plan administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U. S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
- (b) Obtain, upon written request to the plan administrator, copies of documents governing the operation of the plan, including insurance contracts, collective bargaining agreements and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.
- (c) Receive a summary of the plan's annual financial report. The plan administrator is required by law to furnish each participant with a copy of this summary annual report.

**Prudent Actions by  
Plan Fiduciaries**

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate the plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of plan participants and beneficiaries. No one, including your employer, your union, or any other person may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

**Enforcement of  
Your Rights**

If your claim for a welfare benefit is denied or ignored, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules (see Claims Procedures below).

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a state or Federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110.00 a day until you receive the material, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, you may file suit in a federal court. If it should happen that plan fiduciaries misuse the plan's money or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds that your claim is frivolous.

**Assistance with Questions** If you have questions about the plan, you should contact the plan administrator. If you have questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor listed in your telephone directory or the Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

**Disability Benefits Claims Procedure** If you seek benefits under the plan you should complete, execute and submit a claim form. Claim forms and instructions for filing claims may be obtained from The Guardian Life Insurance Company of America (hereinafter referenced as Guardian).

Guardian is the Claims Fiduciary with discretionary authority to interpret and construe the terms of the Policy, the Certificate, the Schedule of Benefits, and any riders, or other documents or forms that may be attached to the Certificate or the Policy, and any other plan documents. Guardian has discretionary authority to determine eligibility for benefits and coverage under those documents. Guardian has the right to secure independent professional healthcare advice and to require such other evidence as needed to decide your claim.

In addition to the basic claim procedure explained in your certificate, Guardian will also observe the procedures listed below. These procedures are the minimum requirements for benefit claims procedures of employee benefit plans covered by Title 1 of ERISA.

**Definitions** "Adverse determination" means any denial, reduction or termination of a benefit or failure to provide or make payment for a benefit.

**Timing for Initial Benefit Determination** The benefit determination period begins when a claim is received. Guardian will make a benefit determination and notify a claimant within a reasonable period of time, but not later than the maximum time period shown below. A written or electronic notification of any adverse benefit determination must be provided.

Guardian will provide a benefit determination not later than 45 days from the date of receipt of a claim. This period may be extended by up to 30 days if Guardian determines that an extension is necessary due to matters beyond the control of the plan, and so notifies the claimant before the end of the initial 45-day period. Such notification will include the reason for the extension and a date by which the determination will be made. If prior to the end of the 30-day period Guardian determines that an additional extension is necessary due to matters beyond the control of the plan, and so notifies the claimant, the time period for making a benefit determination may be extended for up to an additional period of up to 30 days. Such notification will include the special circumstances requiring the extension and a date by which the final determination will be made.

A notification of an extension to the time period in which a benefit determination will be made will include an explanation of the standards upon which entitlement to a benefit is based, any unresolved issues that prevent a decision of the claim, and the additional information needed to resolve those issues.

If Guardian extends the time period for making a benefit determination due to a claimant's failure to submit information necessary to decide the claim, the claimant will be given at least 45 days to provide the requested information. The extension period will begin on the date on which the claimant responds to the request for additional information.

If you wish to file a complaint with Guardian, you may do so using the contact information below. You will not be penalized for filing a complaint.

Please submit any exercise of the Rights designated below to Guardian in writing using the contact information listed below. For some requests, Guardian may charge for reasonable costs associated with complying with your requests; in such a case, we will notify you of the cost involved and provide you the opportunity to modify your request before any costs are incurred.

Your Right to Request Restrictions . You have the right to request a restriction on the PHI we use or disclose about you for treatment, payment or health care operations as described in this notice. You also have the right to request a restriction on the medical information we disclose about you to someone who is involved in your care or the payment for your care.

Guardian is not required to agree to your request; however, if we do agree, we will comply with your request until we receive notice from you that you no longer want the restriction to apply (except as required by law or in emergency situations). Your request must describe in a clear and concise manner: (a) the information you wish restricted; (b) whether you are requesting to limit Guardian's use, disclosure or both; and (c) to whom you want the limits to apply.

Your Right to Request Confidential Communications . You have the right to request that Guardian communicate with you about your PHI be in a particular manner or at a certain location. For example, you may ask that we contact you at work rather than at home. We are required to accommodate all reasonable requests made in writing, when such requests clearly state that your life could be endangered by the disclosure of all or part of your PHI.

Your Right to Amend Your PHI. If you feel that any PHI about you, which is maintained by Guardian, is inaccurate or incomplete, you have the right to request that such PHI be amended or corrected. Within your written request, you must provide a reason in support of your request. Guardian reserves the right to deny your request if: (i) the PHI was not created by Guardian, unless the person or entity that created the information is no longer available to amend it (ii) if we do not maintain the PHI at issue (iii) if you would not be permitted to inspect and copy the PHI at issue or (iv) if the PHI we maintain about you is accurate and complete. If we deny your request, you may submit a written statement of your disagreement to us, and we will record it with your health information.

Your Right to Access to Your PHI. You have the right to inspect and obtain a copy of your PHI that we maintain in designated record sets. Under certain circumstances, we may deny your request to inspect and copy your PHI. In an instance where you are denied access and have a right to have that determination reviewed, a licensed health care professional chosen by Guardian will review your request and the denial. The person conducting the review will not be the person who denied your request. Guardian promises to comply with the outcome of the review.
