YOU WANT THE BEST...

You want the best for your pet, but the costs of caring for a pet can be so high.

That's why you need the Pet Assure Advantage.

HOW IT WORKS...

Pet Assure is a pet care savings program. **For less than \$10 per month**, you will enjoy valuable discounts and important benefits exclusive to Pet Assure members.

1 VETERINARY CARE

As a Pet Assure member, you will **save 25%** at thousands of participating veterinarians. It's as simple as that: since we are not insurance, there are no forms to fill out, no waiting for reimbursements and no denials of coverages – **even pets with pre-existing conditions are accepted.** You simply pay 25% less for all in-house medical services, including:

- + Office visits
- + Surgical procedures
- + X-rays
- + Examinations
- + Injections
- + Dental care

2 SAVINGS GALORE

Pet Assure members also enjoy **savings of 5-35%** at thousands of participating merchants and providers! You'll enjoy these significant reductions on a host of everyday basics, such as:

- + Boarding
- + Food and treats
- + Grooming
- + Medications
- + Pet sitting
- + Training

3 24/7 PALS RECOVERY

Pet Assure members receive a special **Pet Assure Locator Service ID** tag for their pets. The PALS system has helped reunite thousands of lost pets with their families. Anyone that finds your pet simply calls the PALS 24/7 hotline, and the Pet Assure team gets right to work, contacting you and your emergency contacts, not resting until your pet is safely home.
