

GUARDIAN®

Introducing Preventive Advantage. Helping to keep your mouth healthy.

With Preventive Advantage, you can access all Preventive care, including exams, cleanings, x-rays and fluoride treatments, without having the benefit deducted from your annual maximum.

- Simply pay the applicable co-insurance and deductible for Preventive care (if any)
- The entire annual maximum amount is preserved for other dental needs
- Preventive care will continue to be covered even after the annual maximum is met

Dentists recommend oral exams and cleanings every six months. Now you can take good care of your oral health without having to balance the need for additional dental care.

Take advantage of Preventive Care for good oral health	...and save the annual maximum for other dental care needs, such as
<ul style="list-style-type: none">▪ Oral exams▪ Cleaning▪ X-Rays▪ Fluoride treatments	<ul style="list-style-type: none">▪ Fillings▪ Root canal▪ Crowns▪ Oral Surgery▪ Dentures and bridgework

Remember, you can save an average of 30% and get more value from your dental benefits by seeing a Guardian participating network dentist. Find a nearby in-network dentist by you at www.GuardianLife.com.
