

GUARDIAN®

## Did you know? With Guardian's DentalGuard Preferred PPO plans, members can save money on procedures that are not covered by their plan\*

**It's easy... members may save an average of 30%\*\* off the dentist's usual charge when they visit one of over 70,000 PPO locations nationwide**

Which dental services are discounted?

- Orthodontia, when not covered by a plan
- Adult orthodontia, when a plan limits coverage to children
- Dental implants, when not covered by a plan
- Services not covered when a member reaches his or her annual maximum
- Services not covered due to frequency limitations, such as limits on the number of cleanings

With one of the largest PPO networks, it's easy for members to find a dentist that meets their needs. Members can create customized directories on [www.GuardianLife.com](http://www.GuardianLife.com). Directories can be customized based on location, specialty, language spoken and more.
