

Keep an eye on savings

If you wear eyeglasses or contact lenses, or have perfect vision, preventive eye care is an important part of your overall health strategy. And a good Vision Insurance plan can help reduce the costs of eye exams, frames, lenses and more. As we all are experiencing longer, healthier lives, the number of eye problems is expected to increase.

2 out of 3 Americans are affected by vision problems¹

70% of adults in the US experience some form of digital eye strain due to use of their electronic devices²

Nearly 25% of school-age children have vision problems³
